## A-1 AUTO WORKS & PAINTING CO.

525 Alder Street

Today and all during the Automobile Show week we are offering some exceptional bargains in high grade USED CARS; if you are thinking of buying a car it will pay you to call in and inspect our stock.

We make long, easy terms. Just a small payment down.

Late 1918 Oldsmobile, four-passenger Roadster. This car is like new in appearance and mechanically guaranteed throughout. It will stand inspection by any expert. We will sell this car for \$1200 and make any reasonable terms to suit. New cars of the same type sell for almost double.

1918 Buick Touring, just completely overhauled and repainted like new. This is the best buy in a dependable light weight car almost new in the city. We have priced it at \$650, with only a small payment down and will give you your time to pay balance.

1918 Maxwell, in the best of shape. Scarcely any can be told from new. Our price is just about one-half the price of a new one and, believe me, Maxwells are good and dependable and you can average 20 miles to the gallon and they like Ford. So there you are, \$450 for this grand little car.

1919 Chevrolet Touring, run less than 5000 miles, and has new set of tires ready for another 2000 miles. Buy this 95 per cent new car for \$750 on long, easy terms.

1918 Oakland Sedan Six, like new in every way but the price. At the price these are great little cars and can be operated at a very low cost. \$600 cash or easy terms.

1918 Saxon. Another fine light weight touring car, ready to go any place without spending five cents, and the price is only \$500. Easy terms.

1918 Dodge Bros. Touring. It's not much use to tell you anything about a Dodge, for almost every school boy knows that they are good cars. This is exceptionally good throughout and is equipped with good tires. It is a car or at least good for 10,000 miles. The price on this good Dodge is \$975, cash or terms to suit you.

1918 Grant. This is a light weight six-cylinder car in first class mechanical condition, such as we can guarantee. Paint, tires, top and everything good. This is an exceptional bargain at \$400, with a small payment down and long terms on the balance.

1918 Buick Touring. Mechanically and in appearance good throughout. This car has been used around the city by a very careful driver. Whoever buys it at \$1200 gets a real genuine bargain. They sell for \$2000 or more now. Any reasonable terms accepted.

1918 Elgin, in the pink of condition. Just overhauled and repainted. \$875, easy terms.

We have in stock over 30 other cars, consisting of almost every make, ranging in price from \$200 up. Ford, Chevrolet, Maxwell, Dodge, Buick, etc.
