RIGHT NOWThe largest reduced price sale of good used
cars ever held in the Northwest is now being con-
ducted at 12 Grand ave. N. An assortment of
nearly one hundred good cars is being offered
at prices that will move them quickly. We can
get much more by holding our cars for thirty
days, but space is just now our greatest prob-
lem. If you doubt this statement just look at our
congested building.Last week we consolidated the used car stock
of our two big stores, placing all used cars in our
Grand avenue building. In preparation for this
big sale, we engaged seven high grade mechanics
to put every car in our possession in the best pos-
sible condition, not even a loose bolt or nut has
been overlooked. Labor conditions did not per-
mit of having all our stock painted, but every car
is, nevertheless, good appearing and it is r e a d y
