

NEEDS OF THE MOTORIST ARE WELL FILLED IN THIS YEAR'S MODELS

Six Models of the New Velie Will Be Shown

The Portland Show will see six models of the new Velie cars which have won the unbounded admiration of critical motorists.

Velie Sedan in the Authoritative Style (illustrated above) is the utmost in refinements and finish. Four wide doors. Seating room for six. Upholstery in mohair velvet with decorations of mohair lace. Crystal clear plate-glass windows glide noiselessly in velvet covered runs. May be closed against wintry blasts. Hand regulators operate door windows easily. Tonneau panes have silk curtains and polished rails.

Perfection exhaust heater with temperature valve insures comfort in coldest weather. Amazing new motor. Internally heated vaporizer burns low grade fuel, giving easily more miles per gallon. See this car and the other splendid 1920 models of the famous Velie line.

The Anderson Six

THE SEASON'S MOST CAPTIVATING CAR

THE NEW ANDERSON is characterized by striking and unusual features. Comfort, luxury, satisfaction—yielding service such as is found in the costliest cars—that is its keynote.

The engine is the new 7R Continental—the greatest endeavor of a great company. One to fifty miles an hour in high—fifteen to twenty miles per gallon of gas—perfect performance on low-grade fuel—silent, dependable power—these are a few of its accomplishments.
