THE Increasing Favor in which GMC Trucks are held is due not only to quality of workmanship, but also to their most enviable record in the hands of owners

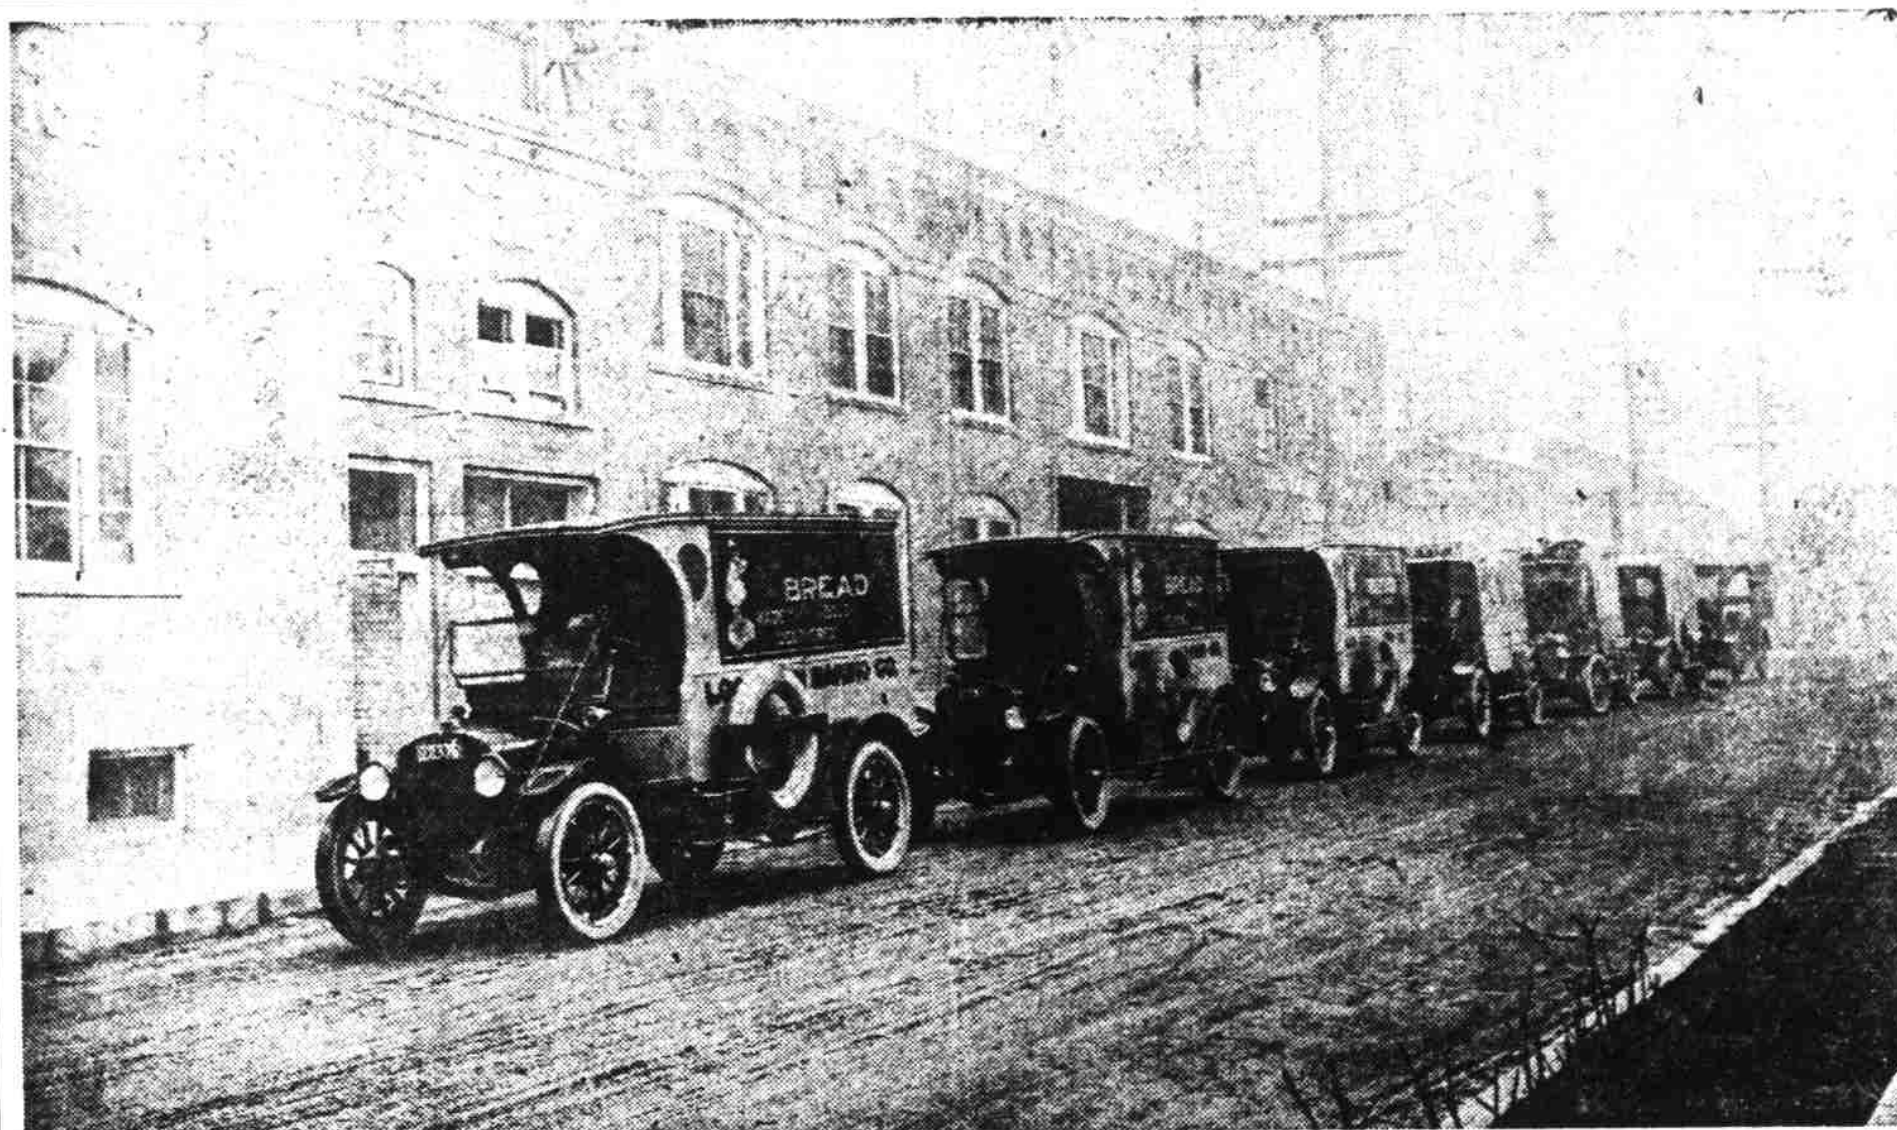

FLEET OF GMC TRUCKS OPERATED BY MEIER & FRANK CO.

FLEET OF GMC TRUCKS OPERATED BY WILLAMETTE VALLEY TRANSFER CO.

Ask any GMC Truck owner about the performance and maintenance cost of his truck and his genuine enthusiasm will prove more convincing than the best sales talk we could make.

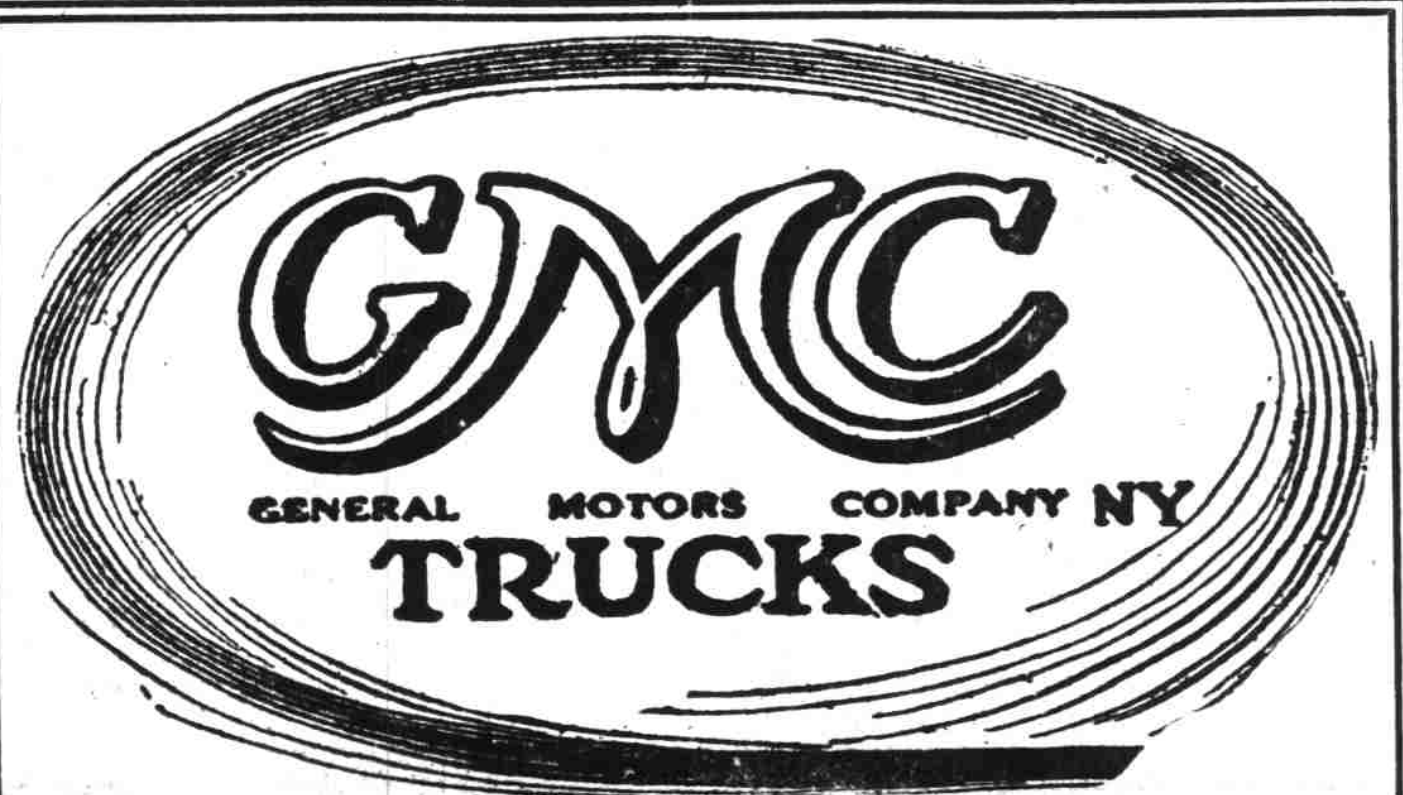

FLEET OF GMC TRUCKS OPERATED BY THE LOG CABIN BAKING CO.

GMC Trucks for commercial purposes are made of the same high grade material and construction, in the same careful manner—that is why they have the stamp of approval of American business men as well as of the U. S. Government.
