

ANITA WHITNEY IS SENTENCED TO PEN

Oakland, Cal., Feb. 25.—(U. P.)—Miss Anita Whitney has been sentenced to serve an indeterminate sentence of from one to 14 years.

Miss Whitney was convicted of violating the criminal syndicalism act.

Miss Whitney is a prominent club woman and founded the Oakland civic center.

When Miss Whitney entered the courtroom her friends greeted her with an ovation. This was so long continued that Judge Quinn, who sentenced Miss Whitney, ordered the courtroom cleared.

Miss Whitney was a member of the Communist party. She testified that she always had stood against anarchy and violence and that her resolution to determine the attitude of the party had been defeated by radical members.

Miss Anita Whitney took a leading part in the campaign for woman's suffrage in Oregon eight years ago, being aligned with the organization of college women in the fight for the ballot.
