SKETCHED

New Ostrich Feather Fans

A Sale at

Prices almost unbelievably low
for such smart qualities

\$19.50 and \$29.50

PERFECT BEAUTIES—fluffy-fringed, exquisitely colored fans to supply the note of elegance to one's evening costume. In two styles—three-feather fans, gracefully lyre-shaped on amber sticks, with or without rings, and the sort that close or open with a coquettish flick of the wrist.

Running the gamut of rainbow shades

there are lovely orchid, faint wild rose, light blue, white and other delicate tints, as well as brilliant blues, gorgeous jade, vivid rose and other rich shades; also black.

—There is so much romance expressed in fans; in fact, they might be said to be the most expressive adjunct of the evening costume.

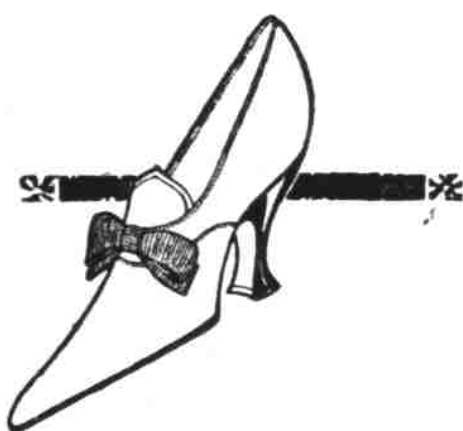

—We do not know that you will again have such a favorable buying opportunity.
