Portland Beavers May Get Classy Outfielder for Farmer

MICHAUD REJECTS CONTRACT

Young Southpaw Refuses to Sign Contract; Expect Outfielder in Exchange for Farmer.

By George Bertz

PORTLAND expects to land a high class outfielder from the Detroit Americans in exchange for Jack Farmer, Beaver outfielder, whose transfer to the Tigers was concluded Friday afternoon.

Manager Walter McCredie would not disclose the name of the outfielder he is seeking, but it would not be surprising if it was Taggart of the Columbus club of the American association. Mac tried to land Taggart from Joe Tinker, but the deal fell through and it is likely that he is letting Navin do his bidding now.

MAY GET HALE

In addition to the outfielder, Mac expects to land another infielder, in addition to Bert Ellison. Sammy Hale, the hard hitting third baseman of the Detroit club, who was with San Antonio in the Texas league last year, may be the player Mac is after. Dyer is not likely to come to Portland because of the high salary he is demanding.

Hope of landing Pitcher Torkelson of the New Orleans club has not been abandoned as yet by McCredie. In case the corps of twirlers McCredie has in the southland do not come up to the Coast league standard, Detroit will come to his aid, as the club has nearly 20 hurlers in the Macon camp, including a bunch of high class youngsters, some of them from the sand-lots.

WISTERZIL ANXIOUS

Pitcher Sydney Michaud, who wired his terms to Judge McCredie, has returned his contract unsigned. He is the second player who has accepted terms and then turned down the contract offered.

"Tex" Wisterzil, the Beaver third sacker, is on the anxious seat now. The McCredies quit negotiating with him after he turned down his second contract and now he is doing a little worrying.

Accompanying Manager McCredie when the Beavers pull out Sunday night for Ontario, will be Pitchers Sutherland, Schroeder, Sylvester Johnson, Fred Libke, Catcher Del Baker and Infielder Spranger. A quartet of "peace" correspondents will also make the trip.

KALLIO WORRYING

Rudy Kallio will be left behind unless he reaches an agreement with Judge McCredie today. Kallio wants to play ball but wants more coin than was offered him. He was told to accept or reject the terms in his contract.

Pitcher Dunning will leave Tomsville, Ky., today for Ontario. Blue is scheduled to depart from Washington and will likely arrive on the same train with Dunning.

LINCOLN AND SALEM WILL CONTEST FOR STATE HOOP TITLE

WILLAMETTE UNIVERSITY, Salem, March 6.—Coach Kenneth Irle's Lincoln high basket shooters and Salem high will battle for the 1920 Oregon state interscholastic championship here this afternoon. The Portland boys won their way to the finals by defeating Albany high last night 50 to 11 and the overwhelming score came as a big surprise. The railsplitters won the 1919 championship at Eugene last year.

Friday afternoon's results of the first interscholastic tournament held under the auspices of Willamette university found Lincoln winning from Ashland 36 to 16. Albany defeating Forest Grove by the same score, and Salem scoring 36 to La Grande's 20.

The Albany-Lincoln affair brought forth a wonderful scoring machine on the part of the winners, for at the end of the first half they were leading 24 to 7. Dave Wright, the lanky Portland center, was unable to play last night, and his place was taken by Willie Beck, who made 14 points. Captain Irve Cole at guard made 10 field baskets. The lineups of the Friday games:

Hesse-Martin Nine to Workout

Baseball practice for the Hesse-Martin Iron works aggregation will be held on the Franklin high platter Sunday morning, starting at 10:30 o'clock. The Iron Workers expect to arrange a schedule which will take them to all parts of Oregon before the 1920 campaign is completed. While no position on the team is cinched by the present guardian there is urgent need for an infielder and another outfielder. Anyone wishing a tryout is requested to report to Manager Lowry next Sunday morning.

Condon Is Still Champion

Playing "safety" continually, Milo Condon, defending his title as three-cushion billiard champion of Oregon, won the third block of 50 markers from Harvey Hicks at the Rialto Billiard Palace Friday night. Hicks won the first set 50 to 41 but lost the second 41 to 50. Friday night's play brought the final count to 150 to 136. Condon's high run of the evening was five while the challenger made four in one inning.

Strike

Mr. 10c Smoker!

Yes, strike. Why pay 10c and 2 for 25c for cigars when you can get the same tobacco — understand, the SAME tobacco — in a cigar for 8c.

Yes sir, the SALOME is made from the same mild Havana leaf that goes into the higher priced cigars, only its short filler. And the wonderful Reinforced Head of long filler (A NEW IDEA) absolutely prevents scrape from getting into your mouth.

So what's the sense of paying for expensive cigars when you can have the *same* quality tobacco, the *same* high grade mild Havana smoke in the SALOME at 8c.

Just smoke one. You judge. 8c—2 for 15c—at all good cigar stands and drug store cigar counters.

BASEBALL

HOUSTON, Texas, March 6.—(I. N. S.)—The main team of the Cardinals defeated the Houston nine of the Texas league in a seven inning game here yesterday. The score was 5 to 1. Manager Rickey used two of his recruit pitchers, Haines and Schuls, and they showed up in good style, allowing but seven hits. The Cardinals left for Dallas last night to play the Dallas team Saturday and Sunday.

Taylor, Texas, March 6.—(I. N. S.)—All but two of last year's regulars will grace the line-up of Burke's St. Louis Browns when they stack up against Fort Worth of the Texas league Saturday afternoon. The two missing are Mullen at third and Urban Shocker.

Burke is satisfied with the progress of his team so far, all the men taking to the hard practice drills with a vim. Right now Burke is concentrating his whole team in bunting.

Jacksonville, Fla., March 6.—(I. N. S.)—The Dodgers defied cold blasts and planned to play one practice game today.

West Baden, Ind., March 6.—(I. N. S.)—Wintry weather interfered with the practice of the Pirates' batterymen today. Manager Gibson had the men out for a long hike but they did not don uniforms.

New Orleans, March 6.—(I. N. S.)—Whether Joe Wood is to be listed as a hurler or an outfielder is one of the questions Manager Speaker hopes to be able to answer before camp ends. The Indians today were preparing for a clash with the Pelicans tomorrow.

Pasadena, March 6.—(I. N. S.)—The Cubs were given another stiff workout today. One of the busiest was Claude Hendrix, who, barred by rules from using his famous freak stuff, is developing a class curve. Two rookies who are making good are Tony Schultz, who hails from Milwaukiee, and Jimmy Shannon of Brooklyn.

Macon, Ga., March 6.—(I. N. S.)—The severe cold weather did not cut much ice with Manager Jack Coombs today. He had huge bonfires built on the side lines and put the Tiger rooks through two swift practice sessions.

Boston, Mass., March 6. — (U. P.)—Harry Frazee, owner of the Boston Red Sox, and Joseph J. Lannin, former owner of the Sox and holder of Frazee's mortgage note for $250,000 on Fenway park, have agreed upon terms of settlement of the controversy, it became known today.

Chicago, March 6.—(U. P.) — Turner Barber, Chicago Cubs outfielder, has signed a contract. He left last night for Pasadena, Cal., to join the club.

Sacramento, Cal., March 6.—(U. P.)—"Pinches" Kuntz, local recruit pitcher, is a second Babe Ruth. He will pinch hit for the Yippers this season. Shortstop Billy Orr and Recruit Fielder Red Hodges reported yesterday.

Stockton, Cal., March 6.—(U. P.)—Intensive training began for the Seals following their arrival here today. Manager Graham booked two games with Mare Island naval nine March 21 and April 1. Billy Kelly, former battery mate of Marty O'Toole, is seeking a chance with the Seals.

Manager Clyde Wares made his maiden trip in a Curtiss plane yesterday afternoon to get a high-up range on his model training camp.

Los Angeles, Cal., March 6.—(U. P.)—Bill Essick, manager of the Vernon Tigers, says he would feel much better if Catcher Brooks and Pitchers Finneran, Dawson and Houck would come to terms. The Tigers are holding workouts at Washington park.

Elsinore, Cal., March 6.—(U. P.)—Manager Red Killefer of the Los Angeles team thinks he has a comer in "Chief" Scott, Indian recruit first sacker. The Angels play a local nine tomorrow.

Jacksonville, Fla., March 6.—(U. P.)—Sherrod Smith's return to the Brooklyn fold leaves Jeff Pfeffer, the big hurler, as the only missing nephew of Uncle Wilbert Robinson's family.

Lake Charles, La., March 6.—(U. P.)—The Athletics' Grays and Whites are to line up for their second set-to this afternoon. The Mackmen were put through two stiff practice drills yesterday.

BIG LEAGUE PENNANT PROSPECTS

By Jack Veiock
(International News Sports Editor)

6—Brooklyn Dodgers

FOUR years ago Uncle Wilbert Robinson surprised the baseball world by winning the National league pennant for Brooklyn.

Much of the credit for the 1916 victory of the Dodgers was given to "Robby," and justly so. His long experience in baseball had fitted the veteran catcher to take the helm of a major league club, and he backed it up with one of the sunniest dispositions in baldom, coupled with uncanny ability in handling men.

The dawning of the 1920 season finds Uncle Wilbert hard at work with a big squad of players at Jacksonville, Fla., and with every Dodger eye looking toward another championship.

HAVE GOOD PROSPECTS

Robinson has a team of players, the majority of whom have worked together for several years. He gets as much or more team work out of his men as any manager in the National league, and after looking over the Brooklyn roster and comparing it with those of the teams that stack up as likely contenders for the 1920 pennant, it must be admitted that the Dodgers have prospects.

Brooklyn finished at the head of the second division last summer after getting away to a somewhat belated start. Cripples among the players and an often changed infield combination constituted Robinson's chief worries.

The present training season finds Robby confronted with a problem that is worrying a good many managers this year—that of lining up an infield. True, the Dodgers have apparently lost a good outfielder in Tommy Griffith, who announced his permanent retirement some time ago. But Robby can populate his outfield, and his pitching and catching talent stacks up favorably with that of his rivals.

JOHNSTON ON SECOND

As for the infield—Ed Konetchy seems to be a fixture at first base. The big fellow, after Robby got him from Boston, showed evidence of new life and played bang up ball in the field. The fact that Robby has no first basing recruits indicates that Koney is glued to the initial bag.

Jimmy Johnston played a majority of Brooklyn's games at second base last season, and he may be found covering the keystone sack when the season opens. But Robby may find it necessary to switch Johnston to the outfield, for unless Griffith changes his mind and returns to the team the Dodgers will need an experienced fielder and a capable hitter to complete the garden-ing trio with Zach Wheat and Hi Myers.

OLSON TO GET CHANCE

Ray Schmandt, who was injured last season and got into comparatively few games, is a young second baseman of great promise. Both Manager Robinson and President Ebbets are expecting great things of him. Ivy Olson, who has been having on and off years for some time, is going to be given every chance to hold his place at shortstop, and Chuck Ward looks safe enough as the guardian of the hot corner. Brooklyn has two good infielders in addition to these men. They are Pete Kilduff, secured from the Cubs last summer, and Douglas Baird. Kilduff and Baird can be used at third, short or second. Robby's worries, therefore, have nothing to do with a lack of talent. But how to line up this infield talent is the question.

PITCHERS STRONG

The Robin pitchers—Cadore, Grimes, Mamaux, Marquard, Miljus, Pfeffer, Mitchell and Smith—are mighty strong. Aside from Marquard they are young fellows. Robby expects to see Al Mamaux come into his own again this year, and he looks for great work on the part of Miljus. Cadore, Smith and Peffer are also due to have good seasons, and the "Ole Rube" is still a crafty and capable pitcher. The Brooklyns have some youngsters, too. Joe Conlan is a left hander from Chicago semiproo ranks. George Mohart and Paul Schrieber are recruit right handers, both from semipro ranks. Miljus, who was farmed to Toledo last season, won better than .500 per cent of his games.

J. W. Taylor, from Charlotte, S. C., and Paul Bayers, from Saskatoon, Canada, are two recruit catchers who will attempt to win meal tickets with Brooklyn. They have a hard row to hoe. The Dodgers are well supplied with backstopping talent, figuring that Otto Miller and Ernie Krueger, not to mention Rowdy Elliott, brought back from the Coast league, are in camp at Jacksonville.

HITTING IS GOOD

The Brooklyn penchant for hitting will not be missing, either, unless the Dodgers are hit by a cyclone or the plague. Myers ranked with the National league leaders last year, hitting .307. Koney was close behind with .298, and Wheat was on Koney's trail with .297. Griffith hit .281, Johnston .281, Kilduff .276, ni 63 games, and Olson .278. Ward and Baird were in the .230 class, but both may develop better hitting, and Schmandt is said to have natural ability, although injuries kept him from showing it last season.

BASKETBALL

By Earl R. Goodwin

IT will be up to the members of the board of directors of the Portland Interscholastic league to determine the outcome of the Franklin high-Jefferson high basketball game played in the Young Men's Christian Association gymnasium Friday. The final score was 17 to 15 in favor of the Quakers, but a question was raised regarding one of the field baskets scored by Franklin, and Coach Harold W. Quigley of Jefferson formally protested the match.

With both teams battling for all they were worth and the score tied more often than otherwise, "Chappie" King of Franklin suffered an injury and asked for time out. His teammate Jones was rushing down the floor at the time and just as King called for a halt in the proceedings Jones let fly at the basket. The ball went sailing through the hoop and Referee H. T. Smith declared that the points counted for Franklin, inasmuch as the ball was in the air when the whistle was blown. This proved to be the deciding shot, for there were but two minutes left to play. Early in the first half a similar play occurred and Referee Smith allowed the points on the same grounds.

The lineups:

Franklin (17)		(15) Jefferson
B. Thomas (3)	F	(3) Coulter
King (4)	F	(2) Goodell
Farley	C	(2) Hendrickson
Jones (6)	G	(4) Watson
Kelley	G	(2) Steele
Hobson (2)	S	(2) Mimnaugh
Grasborn (2)	S

Missoula, Mont., March 6.—The final game of the 1919-20 basketball season for University of Montana was played here last night, and the University of Idaho won, 23 to 20. The result evened up the four-game series.

Don Orput has been named to referee the South Parkway-Multnomah Guards basketball game slated for tonight in the Y. M. C. A. gymnasium. It will be the first of a three-game series for the 1919-20 independent championship of Portland, and both squads are waiting for the starting whistle. A preliminary game featuring the J. K. Gill quintet and the Y. M. C. A. Swastikas will start at 7:45 o'clock. The South Parkway and Multnomah Guards are listed to meet in the second match next Wednesday night in the B'nai B'rith gymnasium.

The Duniway Park juniors won another match, and this time it was against the J. K. Gill aggregation, 32 to 31. The triple "S" pass, Sax to Schwartz to Spivak, was the combination used for scoring purposes by Coach Louis Gallo's winners.

The lineups:

Duniway (32)		(31) Gill
Schwartz (8)	F	(18) Weiser
Scholcoff (4)	F	(6) Burton
Rosen (4)	C	(2) Friend
Pete (2)	G	(2) Johnson
Sax (7)	G	(3) Williams
Spivak (7)	S	

Berkeley, Cal., March 6.—The 1919-20 championship of the Pacific Coast Intercollegiate conference was won by the Stanford University basketball team here last night when the Cardinal quintet won from the University of California hoopers, 33 to 24. It was the eighth straight win for Stanford, and the only setback of the campaign came at the hands of Washington State college.

Seattle, Wash., March 6.—The Washington State Cougars defeated the University of Washington hoopers, 29 to 23, here last night. The second match is set for tonight in the Sun Dodgers' gymnasium.

Manager Miller of the North Pacific Dental college aggregation has announced that his team will meet the Pacific university delegation on the Y. M. C. A. floor tonight at 7 o'clock. This means that three contests are slated for the Y. M. C. A. gymnasium tonight, and basketball fans of Portland can be assured of some high class playing before the evening is completed. Alfred Brooke, former Oregon Aggie and now with the Multnomah Amateur Athletic club, has been named referee of the game.

South Africa to Play In Davis Cup Meet

New York, March 6.—America will meet South Africa in the opening round of the Davis Cup tennis championship this summer. United States Tennis association officials expect to be able to arrange to play the matches in England during the English championships in June. Holland, according to reports received, has entered and will play the English team in the preliminaries.

Soccer Teams Play Sunday

Aberdeen, Wash., March 6.—To perfect from the Canadian Veterans Sunday afternoon at the Reed college grounds if the "Winged W" squad wants to keep in the running for the 1919-20 championship of the Portland Soccer Football association. The other match set for Sunday is between the Kerns and Peninsula teams at Columbia Park. Bob Rankin, the star forward for Waverleigh, suffered a badly dislocated thumb in last Sunday's match and he can hardly move his other fingers. Even with this handicap he expects to play against the Vets. Both games start at 2 o'clock.

Jack Curley Has Georges Signed

New York, March 6.—(I. N. S.)—The name of Jack Curley is enblazoned today on the list of American promoters and managers who have signed Georges Carpentier. Curley announced that he has received Carpentier's signed contract agreeing to a 10 weeks' theatrical tour, starting May 3.

LEE MAGEE MAY FILE LAW SUIT

Released Player Plans to Make Fight to Remain in Major League Baseball.

NEW YORK, March 6.—(I. N. S.)—Lee Magee of the Chicago Nationals, dropped by that club, is about to bring suit for damages against the Chicago club on the ground that he has been blacklisted and deprived of earning a livelihood in baseball, it was learned here today.

Magee announced his intention to fight against being dropped from baseball in a telegram to the New York Evening Journal from Cincinnati. His message states that the manager of the Chicago club has not advised him that he (Magee) is not wanted as a member of the team this year; that neither Manager Mitchell nor any one else has accused him of improper betting on baseball games or indifferent playing.

The player claims to have evidence in his possession that the owners of the major league teams have blacklisted him without cause and avers that a suit will soon be filed to test the right of the Chicago club to exercise its option on him in December and release him a month later. He says that his record shows that he is entitled to remain in the major leagues and that he will fight to do so.

Magee played with Brooklyn and Chicago in the National league last season and batted .270.

Would Welcome Suit

Chicago, March 6.—(I. N. S.)—"If Lee Magee believes he has been materially damaged through being released by the Cubs we will welcome a suit in court, if he so desires," declared President William L. Veeck of the Chicago National league team today, when shown a statement from Magee that he had evidence of a conspiracy to blacklist him in the major leagues. "Magee knows why the Cubs gave him his unconditional release," President Veeck continued, "and we have no reluctance in going into court and presenting our case so the public may be informed as to the reason for our action. I do not care to say anything about Magee and his connection with baseball, but if he wishes court action, let him proceed. If Magee thinks he has been unjustly treated he can lay his case before the directors of the National league as our constitution provides for this and the Chicago National league club will be bound by the determination of the directors."

BOXING

LONDON, March 6.—(U. P.)—Joe Beckett won over Dick Smith in the fifth round of a bout today at Albert hall. The fight was scheduled for the heavyweight championship of Great Britain.

San Francisco, March 6.—(U. P.)—Kid Tillie Herman of San Jose had knocked down Fred Murphy three times last night when the referee stopped the fight before the round was half over. Young Brown of Los Angeles was too good for Harry Pelsinger in the semi-windup, easily taking the decision.

Cleveland, Ohio, March 6.—(I. N. S.)—Carl Tremain won a newspaper decision over Benny Vogel in 10 rounds Friday night.

Saginaw, Mich., March 6.—(I. N. S.)—Captain Bob Roper got the decision over Knockout Bill Brennan of New York in 10 hard and fast rounds Friday night.

Indiana Harbor, March 6. — Jimmy Hanlon, Denver lightweight, won on points from Clint Flynn in 10 rounds Friday night.

Fort Worth, Texas, March 6.—(I. N. S.)—Solly Burns, St. Paul lightweight, won in nine rounds from Freddie Hill after the latter claimed he had been fouled. The referee called it a knockout.

Jersey City, N. J., March 6.—(I. N. S.)—Lew Tendler, Philadelphia's stellar lightweight boxer, has today been signed by David Driscoll, manager of the Arena Athletic club, to meet either Charley White or the winner of the Willie Jackson-Johnny Dundee bout next Monday night in an eight round bout on March 22.

Sacramento, Cal., March 6.—(U. P.)—Babe Herman, local bantam, has had 18 fights. He won his first 16 and then lost a fluke decision in Los Angeles. Last night Herman trounced Al Walker, who holds three draws with Bud Ridley, bantam champion of the coast. Herman has been fighting for about five months, rising in that time from a curtain raiser to a main eventer. Young Papke and Johnny Conde fought a draw.

Milwaukee, Wis., March 6.—(U. P.)—Richie Mitchell and Willie Jackson have been matched for a battle here March 15, Tom Andrews, promoter, announced today.

Atlanta, Ga., March 6.—(U. P.)—Mike O'Dowd, middleweight champion, was given a technical knockout over Tommy Murphy of Chicago, at the end of eight and a half rounds of a scheduled 10-round bout here last night, when the referee stopped the fight.

SHIPPING BOARD STEAMERS DUE FROM ATLANTIC

Three steel shipping board steamers are on dock in New York harbor awaiting cargo for the Pacific coast and probably will come to Portland for reassignment to the Pacific trade, according to an announcement made by C. D. Kennedy, local agent for the division of operations of the shipping board.

This announcement is taken by Kennedy to be indicative of the fact that the Atlantic coast shippers at last have all the vessels they need and that ships will now be sent to the Pacific to relieve the serious shortage existing here.

Kennedy, however, thinks it more probable that these ships are intended for the flour trade as there is a shortage of tonnage to accommodate the flour movement to the Atlantic from Portland.

Pacific coast shipyards, which had been building on government account, have practically completed their programs and few new ships are becoming available here.

Since the message received by Kennedy explained only that the ships are being loaded for the Pacific, the entire matter is one of conjecture at present and it is also probable that the condition of the foreign exchange has led to the decision to send tonnage from the Atlantic to the Pacific for loading.

NEAR EAST RELIEF WORKERS HAVE LUNCH ON BEARPORT

In the interest of the Near East relief campaign, 125 Boy Scouts, members of the Oregon relief committee and shipping men were entertained at a luncheon and program aboard the Armenian relief ship Bearport at 1 o'clock this afternoon. The entertainment was given by the Columbia-Pacific Shipping company, operators of the Bearport.

Captain William A. Gallager, master of the Bearport, was head of the reception committee on the ship, which is loading flour at the Portland Flouring mills. Samuel Lancaster, state chairman of the relief committee, had charge of the program. Motion pictures of the Boy Scouts on board the ship and loading operations were taken.

Neress Cartozian, the Armenian boy who recently arrived from the Near East, was also present. The vessel will complete loading by Tuesday morning and will probably sail for Batum Tuesday.

ALL ALONG THE WATERFRONT

The steamer Celilo was scheduled to leave the local harbor at 2:30 o'clock this afternoon with passengers and freight for San Francisco.

The steamer Rose City, with 100 passengers and 1800 tons of general freight for San Francisco, left the mouth of the river at 10:30 o'clock Friday night.

Loaded with lumber for California, the steamer Halco left the Columbia river this morning. The vessel loaded at Tongue Point.

The Admiral line steamer Montague arrived at Hongkong, February 24, according to advice received by the Pacific Steamship company this morning.

The wooden steamer Munra, being operated in the tie carrying trade to the United Kingdom by the Columbia-Pacific Shipping company, is expected to arrive in Astoria today to load 150,000 feet more of ties before leaving for England.

Portland Firm Sued For Alleged Damage To Copra Shipment

San Francisco, March 6.—(I. N. S.)—Henry W. Peabody & Co., importers and exporters of San Francisco has filed suit for damages in the sum of $33,607.70 against the Viking Steamship company of Portland, Or., owners and operators of the steamer Astoria.

Papers in the suit filed in the United States district court set forth that on July 27, 1918, the plaintiff shipped from Cebu, Philippine Islands, some 23,478 bags of copra and a large quantity of cocoanut oil. The copra and oil were considerably damaged in route and in addition, the complaint recites that there was a long delay in delivery of the cargo.
