

This Special Sale of Dining Room Furniture

Will Bring Many Hundreds of Homefurnishers to POWERS This Week

The offerings are truly remarkable. The Dining Room furniture that is featured is all very specially priced for the purpose of closing out goods that cannot be replaced. There is no lessening of quality, though the price reductions are astonishingly deep and the savings unusual.

A sale of this character is always doubly gratifying at Powers. Here beauty and utility go hand in hand—here credit is extended liberally and with dignity. These opportunities to improve and beautify the dining room with suitable furniture are really exceptional and everyone should take fullest advantage of them during the coming week.

\$975 Nine-Piece Dining-Room Suite \$587

An enormous saving on this handsome suite of nine pieces, including 72-inch buffet. Mellow old oak finished, beautiful in design—these nine pieces are all the furniture a dining room requires.

\$574.50 Nine-Piece Dining-Room Suite \$395

William and Mary period design in rich mahogany. The underpricing of this suite gives you a rare opportunity to furnish your dining room to the fullest satisfaction of your sense of beauty, while filling the need of the utilitarian.

\$411 Eight-Piece Dining-Room Suite \$295

The graceful William and Mary period design in selected oak stock of fine finish. A deep reduction.

\$865 Nine-Piece Dining-Room Suite \$577

Beautiful designing and fine oak stock in the delightful "old" finish give this suite a splendid dignity. A home would be greatly enriched by its possession without the consideration of the unusual price advantage.

\$442 Eight-Piece Dining-Room Suite \$337

A suite of eight pieces in walnut at such a radical reduction is bound to be interesting to all who recognize the wisdom of investing in good furniture during special selling events.

Buffets Remarkably Low Priced

There were not a great many Buffets to be sacrificed in the sale. Early selection is therefore recommended.

Burn Wood, or Gas, or Coal in Your A-B Combination Range

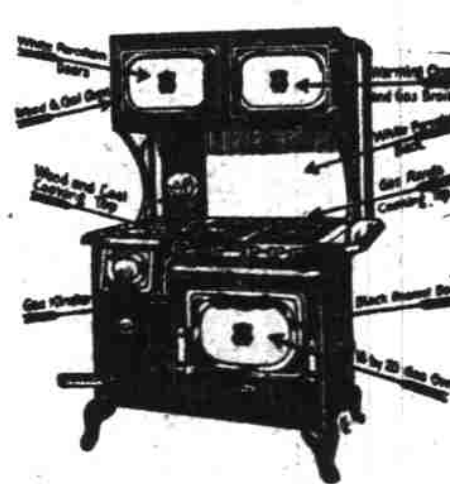

Make your kitchen a place of pleasant warmth or delightful coolness—as the season dictates. Buy the fuel you can store most conveniently. These are things the A-B Combination Range makes possible.

You can use wood or coal—or gas. You can use the gas alone or at the same time you use other fuel.

Nor does this end the wonderful features of the A-B. There's a gas kindler that will start the fire for you. There's the finish that invites you to keep your range bright and shining.

There's the time-saving of construction that heats cooking surfaces, oven and water in eight minutes.

There's the economy of fullest heating efficiency of your fuel.

Come in for Demonstration and Learn Why Hundreds of Homes in Portland Would Not Be Without the A-B Combination Range!

Planning a Trip?
