

McCredie Will Get a Line on His Prospects Today : Carpentier Will Sail for America

BEAVERS TO PLAY FIRST GAME TODAY

Ontario Club to Offer Opposition; Four Players Arrive in Camp This Morning.

By George Bertz
ONTARIO, Cal., March 12.—Outfielder George Maisei, infielder Al Honock, pitcher Richard Durning and catcher Arthur Koehler arrived in the Portland Beavers' training camp here this morning and first baseman Lou Blue and pitcher Carroll Jones are expected sometime tonight. Manager Walt McCredie is tickled with the showing made by his athletes so far and with the arrival of Koehler it means that the Beavers will not be forced to go through much strenuous work the next few days. Baker is somewhat on the sick list.

The first practice match of the 1920 spring training season will be held this afternoon against the Ontario club and following a two-hour practice session Friday afternoon, Manager McCredie announced the lineup and batting order for the opening contest here. The batting order, subject to a last minute change, follows: Cuyler, center field; Kingdon, shortstop; Barnabe, first base; Schaller, left field; Cox, second base; Stuart, right field; Baker, catcher; Spranger, third base; Juney, pitcher. McCredie has named Barnabe as the alternate hurler, which means that Sutherland and Schroeder will divide the pitching honors in the Sunday contest.

Two additional practice games have been arranged for the Beavers by D. D. McDonald, manager of the Ontario baseball team.

Saturday, March 20, the March aviation field team will play the Mackmen at Ontario. On the following day the squad will be divided, the first team playing Stahl and Dean of Los Angeles at Ontario and the second nine meeting the March field tossers at Perri.

The game with the Elmton team has been set for March 23. Vernon Tipton, a young right handed pitcher of Los Angeles, recommended by Bill Goodman, reported today for a tryout.

The two stiff practice sessions of Friday brought out the sweat in big beads and the squad is commencing to pepper up, which reveals that they are starting to round into form.

McCredie announced that Frank Walker would not be traded until he had determined which of the deals offered him for the hard hitting outfielder would benefit his club the most. In addition to the Kansas City offer for Fitcher Hall, Mack is still getting wires from Bill Clymer, offering Outfielder McCarthy. The St. Paul offer of either Tiggett or Duncan is still open.

No word has been received from Wistertill or Cunningham.

P.)—Jack Dempsey's first match since winning the title probably will be with Harry Greb March 31, at Buffalo, James Mason, Greb's manager, declared in a message from Buffalo, where he had gone to sign articles. Dempsey, according to Mason, is due east in three weeks and then will sign up.

GARLOCK'S PROTEGE ADDS ANOTHER K. O. TO HIS GOOD RECORD

Portland Boxers Put Up Great Exhibitions Before Grants Pass Patrons.

A D GARLOCK and his middleweight white hope, Knockout Jack Carman, returned from Grants Pass last night covered with glory. Carman hung the knockout sign on Roy Cedarstrom in the second round after a battle said to have been furious. Cedarstrom took the count of nine in the first round after a toe to toe exchange. Only the bell saved him, says Garlock. He was given his sleeping potion one minute after the second round began. It was Cedarstrom's first defeat and Carman's second knockout within 10 days.

Kid Rocco and Frankie Webb, both Portland products, boxed eight fast rounds, Rocco being given an unpopular decision. Garlock says the crowd hooded the gift and declares the worst Webb should have received was a draw.

Kid Denella, boxing for an army recruiting station, put Jack Ritchey, a Grants Pass boxer, to sleep in the third round.

CARPENTIER SEEKS FAME NOT MONEY

"Wouldn't Claim Dempsey's Belt Unless I Won It," Declares Frenchman.

By Newton C. Parke
PARIS, March 12.—(I. N. S.)—Just before his departure for the United States today Georges Carpentier, heavyweight champion of Europe, declared that he is willing to make financial sacrifices to secure an early contract to fight Jack Dempsey for the world championship.

Carpentier said that he is willing to fight Dempsey regardless of the war slacker charges against the American pugilist, and that if Dempsey should be sent to jail he will ask American fight promoters to hold a series of bouts to pick Dempsey's successor, so that the world championship contest can be held anyway.

WANTS EARLY CONTRACT
"I hope to settle definitely the arrangements for a fight with Dempsey shortly after my arrival in America," said Carpentier. "Naturally I am interested in the financial returns, but I know that the public is likely to be disgusted over long bickering. Consequently I shall make sacrifices to secure an early contract."

"After all, there should be something more in boxing than a mere scramble for money if sporting men hope to keep the game clean."

"Of course I am interested in the financial charges against Dempsey, but will fight him regardless of the outcome unless he should be sent to jail for perjury. My view is that the honor of fighting Dempsey, as an individual, and the possessor of the title and it is the title holder who must be defeated. It would be the same if someone else held the title."

WOULDN'T CLAIM TITLE
"If Dempsey is sent to jail I shall not claim the world's championship myself. I would consider such action unfair. I shall ask American promoters to arrange a series of elimination bouts to pick Dempsey's successor. Then I can meet the victor of these bouts in a fair and square match for the world's title."

Carpentier, accompanied by his bride and his manager, M. Descamps, left this morning for Havre. They have reservations on the liner Savoie, which is scheduled to sail late today from Havre for New York.

COCHRANE HAS BEEN GIVEN BRITISH RIGHTS
Paris, March 12.—(U. P.)—Charles B. Cochrane, London fight promoter, will stage the Dempsey-Carpentier fight if it is to be held in England. It was announced here today by Victor Breyer, business representative of Carpentier.

Following the departure of Carpentier, his bride and his manager, Francis Descamps, for America today, Breyer made public that Descamps had signed a contract giving Cochrane exclusive British rights on the fight.

BRITISHER OUTCLASSES F. MASON

Flyweights Put Up Great Battle at Toledo; Wilde Had Best of It

By Edward Smith
TOLEDO, Ohio, March 12.—(I. N. S.)—When it is said that Jimmy Wilde, Britain's last remaining ring champion, is the mechanical genius of the prize ring, the whole story of last night's battle with Frankie Mason, America's best, is told in a few words. Jimmy finished out in front with the hero from Fort Wayne after 12 of the best rounds that anybody has seen in a long time. The margin was not a wide one, for Mason put up at times a great battle and Wilde was put to the limit of his great genius to finish a trifle in front.

Rules of the Toledo boxing commission do not permit a decision by the referee, and not a was rendered, officially.

Mason was too much on the defensive in almost every one of the 12 rounds but the fifth to get anything but a lot of credit for a great showing against a man who is generally regarded as the world's best.

MASON TOOK EARLY LEAD
The fight was one of the greatest battles ever seen between midweights in any land, and proves that a longer fight between them will be necessary before a really decisive result can be reached. To many of the spectators it looked as if Mason might have been finished as a turn within four or five rounds more.

Mason had a little shade in the early stages of the contest, but the powerful little steamer from Toledo kept whaling away with such effect in the latter stages that he nullified all of this and in the eleventh round had Mason in a rather tight way through a few well directed shots to the short ribs. One of these especially had Frankie going backwards, and as he sailed along the ropes from one side of the ring to the other he appeared to be about to go down under the attack.

WILDE FORCED TO USE "WITS"
It was a place for a game man to make a tremendous stand, and Mason was found not wanting, under the strain this situation. He turned once or twice and fought back with vigor that he seemed not to possess and then took it again on the run.

Jimmy tried every little trick that he had in his big book to put over the finishing touch, but Mason flopped around in such a way that Wilde could do nothing. From the first going it was a great battle, but men in the early stages standing toe to toe and socking away at each other. But in a short time the Wilde system of battling showed itself at its best. He never received an inch unless he was shoved away, and kept forcing the affair in such a way that, while he got a lot of punches shot into every section of his fighting front, he had his man backing.

BASKETBALL

EVERY basketball team in the Portland Intercollegiate league has been defeated at least once during the 1919-20 campaign. Franklin high's quintet managed to stave off a walloping until the very last. Washington high humbled the Quakers 25 to 13, Friday afternoon in the Young Men's Christian association gymnasium and by so doing three squads went into a tie for second place in the league standings and Lincoln high jumped into the lead with six victories and one setback.

Chapple King was Franklin's star, for the little forward came through with all but two of his team's points. The Colonnials had a 12 to 7 score at the end of the first half and never were in danger. Eddie Edlund and Louis Ragenovitch scored the most points for the winners, with the former making 10 and his teammate one less.

The lineups:
Washington (23) P. Franklin (13)
Ragenovitch (9) F. Edlund (11) King (10) G. King (10) Jones (10) Thomas (10) Polk (10) Kelly (10) Graham (10)

Beison tech and Jefferson high furnished a thrilling melodrama on the little high floor Friday afternoon when 'Colt' playing guard, made a sensational field basket from the center of the floor in the last few seconds of play, bringing a 22 to 20 victory to the Mechanics. At no time did either team have a lead of more than three points, and the end of the first half Coach Billy Bryan's stars were leading, 11 to 10.

Through an injury received in the first half, Louis Coulter, one of Coach Quigley's mainstays, was forced to retire, and Hendrickson, the lengthy center, was not in the game at all, due to illness. The Jefferson team played a close guarding game, but they couldn't keep 'Shorty' Kleinau from making five field baskets. The big 6 foot 4 in center was the offensive star for the Mechanics.

The lineups:
Beison (22) P. Jefferson (20)
Bennis (12) F. Coulter (11) Goodell (10) Bronbrough (10) Watson (10) Touman (10) Steele

The first contest is set for Monday night in the Neighborhood house gymnasium, while on Saturday night the match will be held in the C. B. C. gymnasium. The Dunway juniors Friday night won from the Sunnyside school, 29 to 1. A converted foul in the last half was the only marker obtained by the losers. The Dunway aggression weighs but 100 pounds but are willing to give away 10 or 12 pounds in order to get games.

MILLIONAIRES BEAT SEATTLE IN FIRST GAME OF PLAY-OFF

Second Match to Be Held Tuesday With Winners to Go to Ottawa for Finals.

SEATTLE, Wash., March 12.—(U. P.)—Vancouver's ice hockey squad took the lead in the two-game series for the Pacific coast hockey title here last night, when the Millionaires defeated the Seattle Mets 3 goals to 1. The game was a fast tilt from whistle to whistle. The visitors took an early lead and then played on the defense throughout the close.

Roberts, Skinner and Cook scored for the visitors, and Riley counted the only Seattle marker.

The second game of the series will be played in Vancouver Monday night. The team scoring the most goals in the two games will win the title, which means that Seattle must register two goals to Vancouver's one to win the honor of the coast.

The winning team is scheduled to leave for Eastern Canada immediately following next Tuesday's clash to combat the Ottawa series for the ice hockey championship of the world. One of the largest crowds in the history of the winter sport here was on hand at last night's hard fought game.
