The Living Room is the heart of the home—the room of all rooms in which comfort and harmony should reign supreme.

You like to entertain your callers in the most comfortable room of the house—the Living Room. Is it furnished so you can be comfortable mentally when your callers have gone?

It is to the Living Room the children bring their little friends. Has yours the homey atmosphere that makes them love to do this?

Price attractions are not a secondary consideration in this event—you'll find many beautiful pieces that will add greatly to the comfort and appearance of your Living Room at prices wonderfully reduced.

A Sewing Machine Is So Necessary in the Spring

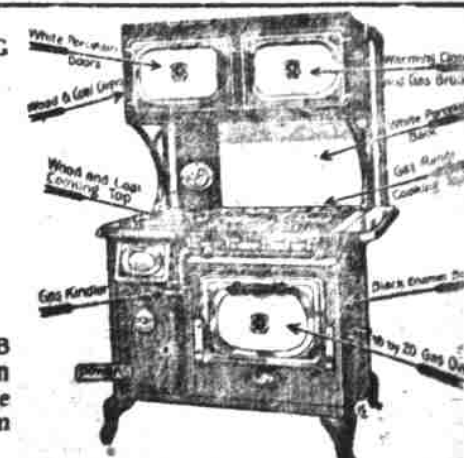

A season of new things—many of them. Things to wear—things for the house—for at once and the coming summer. How much you can save if you sew! Enough to pay for the machine in not-so-very-long.

The best makes—Rotary (foot treadle) and Western Electric (electrically operated) may be purchased from Powers on terms of extended credit.

ECONOMY AND CONVENIENCE ARE STRONG REASONS WHY YOUR HOME SHOULD BE EQUIPPED WITH AN

A-B Combination Range

Let us show you the many advantages of the A-B Combination Range—that is the best way to learn why hundreds of Portland homes have installed the A-B and consider it absolutely indispensable from every point of economy and convenience.
