Better Washwear for Real Boys—Suits, Shirts and Blouses

AS SOON as you see Tom Sawyer Washwear you notice how much better it is in every particular. The cloth is much stronger and more durable. The coloring is rich, even and fast—patterns are new—the kind regular boys like. Skilled tailoring shows in the fit. Collars "set" right; sleeves hang properly; coat and pants are right length. Cuffs fit the wrist. Every garment is roomy where it should be and reinforced where strains come. Yokes are double. Hems and sleeve outlets are deep. The good looking buttons are extra strong and sewn on to stay. Buttonholes are made to hold. Even the belts, ties and trimmings show real quality. Prices no higher than you usually pay. For boys 3 to 16 years.
