Arts and Crafts Bed-Davenport \$72.50

Instead of the Regular \$89.75

If your quarters are crowded a Bed-Davenport is the practical thing. In it you have a roomy, comfortable Bed at night and a handsome Davenport by day.

Or if you are without a guest room you can provide the guest with bedroom accommodations though the Bed-Davenport stands in the living room. The special Bed-Davenport illustrated is of selected quartered oak, covered with No. 1 grade of Spanish leatherette, substantially constructed and easily transformed from Davenport to Bed—or vice versa.

The coming Summer will be a crowded one for Portland—by all indications. You will no doubt have more guests than you plan on. Be ready to take care of them—or perchance earn some extra money by renting a room during the rush.

The Electric 3-Way Washing Machine Will Wash Your Bedding Thoroughly—at Home

No need to send out those woolen blankets and worry over their probable size when you get them back. No need to entrust those cherished linens to strange hands. The **Electric Three-Way Washing Machine** handles all things with equal care—heavy pieces are thoroughly laundered—sheer, flimsy things are, too—and neither are subjected to the amount of wear hand-rubbing gives them. Washing Arm and Wringer move to your convenience—either can be used over other tubs for rinsing and bluing. **Electric Three-Way** soon pays for itself in saving laundry expense. The strength of the housewife is conserved, while the washing is done to her entire satisfaction. Every home should have its **Electric 3-Way**.
