

Powers' March-End Clearance

Living-Room—Dining-Room—Bedroom Furniture—Keenly Underpriced!

Ivory Period Suite at \$169.50 A Wonderful Value

The suite differs slightly from illustration—to its improvement. Pieces are all very generously proportioned and perfectly matched. Decorative motifs give each piece its special distinction; bed has wide center panel with open slat ends on either side. Something unusual at an extremely low price!

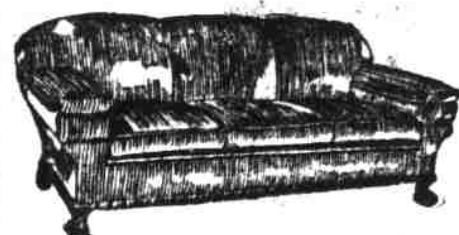

Kroehler Bed-Davenport A New Design Marked at

\$79.50

A splendidly built davenport framed in selected oak and upholstered in Spanish leatherette. Feature building allows you to transform this impressive davenport into a bed of comfortable dimensions for two—with little more than a touch. So accommodating that in possessing it you have the equal of another bedroom.

Other Styles as Low as \$69.50

\$235 Karpen Davenport Marked Down to \$179

The name Karpen indicates the highest standard of building—you may be sure of the best of service when you buy a Karpen Davenport Special model, tapestry upholstered and made with loose spring cushions, takes an exceedingly deep reduction for this sale-week.

Take advantage of these savings! Even though you buy little you save MUCH!

Spring Is Baby's Happiest Season

The air is balmy and invigorating, the sun isn't too warm—baby should spend all the time possible out of doors—if baby is to thrive with the other flowers. A comfortable buggy is the safest place for baby—for baby can't roll off a buggy—nor can great big old cats or barking dogs frighten the baby who is safe in a buggy. And a buggy is a wonderful thing to coax mothers out of doors to enjoy the glorious spring weather. Powers choose Baby buggies with these thoughts in mind—Baby's greatest comfort—Mother's pride in appearance and her ease and convenience in handling. A Wonder assortment—

Convenience Supreme

You burn the kind of fuel you like—gas, wood or coal—or gas with either wood or coal on occasions when you wish to work with the full capacity of your range. The masterly construction of the A-B Combination permits of the heating of cooking surface, oven and water in so short a time as eight minutes.

There are hundreds of A-B Combination ranges in Portland homes—hundreds of happy owners who wouldn't part with their A-B Combination ranges.

We'll be mighty happy to show you the many points of convenience that make of the A-B a sort of super-range—one that has all the good points you can think of—and some others in addition.

Come in for a Demonstration and learn how to get fullest heating efficiency from your fuel.
