EASTER, with all its associations of newness, is only three days away!

Only two days in which to buy that new suit you've been figuring on for some time. Because, naturally, you don't want to be the only one of your friends who is wearing an old suit on Easter morning. And, of course, you also want to be quite sure that the *style, quality* and *price* are right.

That is why your steps will naturally join those of hundreds of other shrewd men, both old and young, who regularly take advantage of our *low upstairs rent and quantity-buying policy*, which offers the best clothing value in town. Remember, the day of the costly downstairs store is fast passing. Real value is in the clothes—not the store fixtures.

Come early as possible Friday and Saturday for that Easter Suit. In this way make certain of that individual, painstaking attention we aim to give *every* customer as well as being among the first to select from our wonderful new models like the Pelham pictured above.
