

## PROTEST ENTERED AGAINST FERID AS GRAND VIZIER

By Sir Percival Phillips  
Correspondent of the International News Service and the London Daily Express.

Constantinople, April 7.—(I. N. S.)—Mustapha Kemal Pasha, leader of the Turkish nationalists, today sent a wireless dispatch to the sultan protesting against Damad Ferid as grand vizier. The nationalist leader declared the anti-nationalist policy of the grand vizier would "inevitably lead to serious disorders in Turkey."

Mustapha Kemal Pasha threatened the sultan that the Anatolians will no longer recognize him as caliph if the nationalist wishes are disregarded.

An unconfirmed report was received here that Mustapha Kemal Pasha had arrested all the British in Anatolia and was calling all the Moslems capable of bearing arms to the colors immediately.

### 10 KILLED IN FIGHTING AMONG JEWS AND MOSLEMS

London, April 7.—(I. N. S.)—At least 10 persons were killed in fighting between Jews and Moslems at Jerusalem on Sunday, according to details contained in a News Agency dispatch from Cairo today. A Jewish procession was passing the Jaffa gate in Jerusalem from Hebron, a town 16 miles distant, entered. The cry spread that the Moslems were attacking. The Moslems then advanced, shouting: "We won the country with the sword and will keep it with the sword."

British soldiers finally appeared on the scene. Ten corpses were found in the streets.

### British Ordered to Retire

London, April 7.—(I. N. S.)—British troops in Northern Anatolia have been ordered to retire on Iamid, according to a News Agency dispatch from Constantinople today. Iamid lies at the head of the Gulf of Iamid, 55 miles southeast of Constantinople.

### Civilians Barred

London, April 7.—(I. N. S.)—A proclamation has been issued forbidding civilians from entering Jerusalem as a result of the clash between Jews and Moslems on Sunday, when 188 persons were wounded, said a News Agency dispatch from Cairo today.

### Lamping Is Named Vice President of Northwestern Bank

T. L. Lamping, manager of the local branch of the Federal Reserve bank of San Francisco, has been appointed vice president of the Northwestern National bank and will take over the duties of his new office May 1.

Lamping was for several years connected with the Seattle National bank and spent some months in the Federal Reserve bank at San Francisco. He has been in charge of the Portland branch of the Federal Reserve bank about two years.

Announcement of Lamping's appointment was made this morning by Emory Olmstead, president of the bank, following a meeting of the board of directors.

Lamping's successor as manager of the Federal Reserve branch bank has not been named. Appointment of a new manager will come from the governor of the Twelfth federal reserve district at San Francisco.

### Salem Victims Are Told to Charge Loss To Sad Experience

Salem, April 7.—Salem investors in timber lands exploited by Carlos L. Byron, now serving time at McNeil's island for fraud, are advised to charge their investments to experience and forget about them. In letters received here from United States Attorney Lester H. Humphreys by several of Byron's "victims." Approximately 120 residents of the Capital city, many of them prominent in the business and professional world, "bit" at the bait held out by Byron, whose shenanigans from this city are said to have aggregated between \$40,000 and \$60,000.

Humphreys, who is skeptical about stories to the effect that some of the "victims" have been rebated the amount of their investments, advises any who might be offered such rebates to "grab it."

Byron was convicted on a charge of using the mails to defraud and sentenced to 15 months. Some of his Salem "victims" were looking forward to a complete settlement upon his release at the expiration of his term.

### 500 War Veterans Meet in Twin Falls

Twin Falls, Idaho, April 7.—Twin Falls is host to 500 veterans of the World war, delegates to the Idaho American Legion state convention, which opened a three-day session this afternoon. The city is rally decorated with flags and banners of welcome. The festivities began with a grand service men's parade.

## Wright Seeks G. O. P. Backing for County Attorney in Union

Salem, Or., April 7.—Ed. Wright, for three years secretary to the Oregon public service commission, whose resignation from that position was announced several weeks ago, Tuesday filed his formal nomination petition as a candidate on the Republican ticket for nomination for district attorney for Union county. Wright is a native of Union county and has lived there all of his life, with the exception of the time he has been serving with the state commission.

He expects to sever his connections with the commission about May 15 to return to Union county, where he will enter upon the practice of law and carry on his campaign for district attorney. Wright served eight years as county clerk of Union county and was for four years previous to that time a deputy in the office. His slogan in his race for nomination as district attorney reads as follows: "My past record is your assurance of integrity, fairness and common sense."

## MANY SEEKING WATER RIGHTS IN OREGON FOR IRRIGATION PURPOSES

Salem, April 7.—John H. Seavey of Springfield, Lane county, has filed application with Percy A. Cupper, state engineer, for permission to appropriate water from the middle fork of the Willamette river for the irrigation of 280 acres of land.

Other applications for water rights have been filed with the state engineer as follows:

By T. T. Shell of Willowa, water from McDonald and Shell creeks for the irrigation of five acres in Willowa county.

By John McDonald of Willowa, water from McDonald and Shell creeks for the irrigation of three acres in Willowa county.

By C. J. Fraker of Portland, water from a spring, tributary of Rogue river, for domestic and stock use, in Jackson county.

By John Graham of Willowa, water from Spring creek for the irrigation of one-half acre in the city of Willowa.

By W. T. Benson of Roberts, Crook county, water from an unnamed spring for domestic purposes.

By J. A. Mays, Post, water from Horseheaven creek for the irrigation of 181 acres in Crook county.

By Herbert W. Garabrant of Hood River, water from unnamed springs for irrigation of nine acres in Hood River county.

By Albert L. Oldham of Post, water from unnamed springs for stock watering purposes in Crook county.

By Charles Bilyeu of Enterprise, water from Hurricane creek for irrigation of 29 acres in Willowa county.

By Charles W. Valentine of Heppner, water from Willow creek for irrigation of 24 acres in Morrow county.

## Dayton Teachers Discuss Methods; Scale Is Adopted

Dayton, Wash., April 7.—The Columbia county and Dayton teachers organized Saturday to study the educational situation and to advance propaganda that the public may better understand the needs and aims of the school system. Mrs. Bertha Windust of this city was elected president; Miss Lizzie K. Merritt of Starbuck, vice president, and Marvin Elwell, secretary-treasurer. A minimum wage scale was drawn up, which recommends \$900 as the lowest remuneration for a teacher holding a temporary certificate.

The Walla Walla Association of Congregational Churches will hold its spring meeting in Dayton, Thursday and Friday. A Pilgrim Legion dinner will be given Friday night by the Halpine society.

## Recruiting Station Receives Powerful New Searchlight

Under direction of Lieutenant Colonel G. W. Stevens trial test was given last night to a portable 36-inch field search light recently received by the local army recruiting station. Exhibition of the light was made on King's Heights and so powerful are the rays thrown from the mammoth lens that one could read a newspaper by its light at a distance of three miles.

The light is mounted on a separate carriage and may be removed to any required distance from the six ton truck used in transporting it. Current is generated by the engine of the truck, and under normal conditions this is strong enough to throw the light five or six miles. The new mechanism will be displayed on the downtown streets afternoons and evenings.

## Generals Nominated For Higher Grades

Washington, April 7.—(I. N. S.)—The president today sent to the senate the nominations of Major General Charles P. Sumner to be a permanent major general, and Major General Henry Jerry to be a permanent brigadier general in the regular army.

## Youth Confesses Safe Blowing Plot; Six Boys Detained

Pendleton, April 7.—Plans to blow the safe and rob the Hamley & Co. store here are alleged to have been confessed to Sheriff Taylor by one member of a gang of six youths arrested Monday for theft of clothing from a local cleaning establishment. All six are held for investigation, the loot having been found in a barn near the edge of town.

New fire fighting equipment, with

pumping facilities, is needed in Pendleton. Horace Sykes, deputy state fire marshal, told the city council Tuesday. More fire hydrants and higher pressure, especially near schools, must be provided. He recommended razing of many shacks which are fire hazards, better wiring regulations and stricter building rules. He and two associates have been making a fire survey here for two weeks.

O. A. Jacobson, who pleaded guilty last week to a statutory crime against his 15-year-old sister-in-law, received sentence of eight years in the state prison Tuesday. He will seek parole, the grand jury which indicted him having recommended it.

## Agreement on Price For Naval Base Site At Astoria Reported

Astoria, April 7.—At the meeting of the Port of Astoria commission Tuesday, President Stone reported that price for various tracts included in the site for the proposed naval base have been adjusted. The arbitration committee will meet to make its report this week. The commission decided to deepen the channel at the mouth of the Lewis and Clark river in the general improvement plan for Youngs bay. A formal request was

made to the railroad company for 30 flatcars on which to ship 650,000 feet of lumber, now at the terminals, to Coos Bay.

H. M. Lortsen, secretary of the Columbia River Fishermen's Protective union, stated that contrary to an Associated Press dispatch from Portland, which said the Astoria union, by a vote of 80 to 6, had opposed the threatened strike, fishermen here had by a vote of 80 to 6, favored it. The packers' proposals were disapproved.

Between 75 and 100 truck drivers struck Tuesday. The employers had been given until Tuesday to sign the new union scale. The new scale of wages, per day, follows: One half to two ton trucks,

\$6.50; two to three ton trucks, \$7; three to five ton trucks, \$7.50. The principal employers affected by the strike are: Clatsop county court, Sanborn & Sons, Astoria Fuel & Supply company.

F. M. Cross, well known resident of this city, dropped dead at Beaver Falls near Clatskanie, Tuesday, according to reports. Mr. Cross was up the river inspecting sawmill property. He was connected with the A. V. Allen Paper company of this city for a number of years.

Secretary Wilson's Mother Dies  
Washington, April 7.—(I. N. S.)—Mrs. Helen B. Wilson, aged 85, mother of Secretary of Labor Wilson, died today at her home in Bloomsburg, Pa., according to information received here.

## Hillsboro to Vote On Auditorium Proposal

Hillsboro, April 7.—The city council Tuesday passed a resolution declaring for a municipal election early in June to vote on \$15,000 on improvements for Shute park, situated on the state highway on the eastern edge of the city. If carried \$10,000 will be expended on an auditorium-pavilion, with a floor 71x117 feet, and \$5,000 will be expended on the grounds. The building of such a pavilion would make Hillsboro a real convention city.

Every Leading Grocer in this City is Now Selling

## MAZOLA

at the new reduced prices

Ask your grocer for the reduced prices on pints, Quarts, full gallons and half gallons are cheaper in proportion.

Now is the time to buy

Do You Know That Mazola Can Be Used For More Different Purposes And At Less Cost Than Any Other Food In Your Kitchen?

Of interest to every wide-awake housewife are these important facts about the general use, the quality and the unusual economy of Mazola.

First, know that Mazola contains no moisture. Butter and Lard contain moisture. Mazola is an absolutely 100% pure vegetable fat. It never becomes rancid.

Deep Frying

NO fat excels Mazola for deep frying. It is far better and a great deal more economical than lard or compounds. The same lot of Mazola can be used over and over again—even after frying fish and onions. Merely straining makes it perfectly fresh for use as a shortening. It carries no odors or flavors from the foods cooked in it and does not smoke up your kitchen.

Shortening

THE purity and richness of Mazola best demonstrates itself in the fact that 1/4 to 1/2 less Mazola is required than that of butter or lard. This means that your cakes and pie crust will not only be light, rich and easily digested but will cost you less to prepare. Being an oil, the tiresome "creaming-in process" is eliminated. Mazola is always ready for instant use.

### Important to Housewives

One of the most severe comparative tests ever used on a cooking fat gives unqualified FIRST HONORS to Mazola.

Understand the remarkable economy and high quality of Mazola by these figures.

#### FRENCH FRIED POTATOES

2 lbs. of Mazola	fried	26 lbs. Potatoes
2 lbs. of Lard	"	8 " "
2 lbs. of Compound	"	11 1/2 " "

Note: Mazola goes over three times as far as lard; is twice as economical as compound.

#### FISH

2 lbs. of Mazola	fried	25 lbs. Fish
2 lbs. of Lard	"	15 " "
2 lbs. of Compound	"	20 " "

Note: Compare the figures yourself. Even with frying fish Mazola does not smoke up your kitchen.

#### DOUGHNUTS

2 lbs. of Mazola	fried	216 Doughnuts
2 lbs. of Lard	"	144 " "
2 lbs. of Compound	"	168 " "

Note: All doughnuts were the same size. Mazola - made doughnuts are more easily digested.

P. S. Reasons for these remarkable figures are explained in column to the left. Read it.

## Salad Dressings

THOUSANDS of Italians, who certainly know olive oil, use Mazola. Not only because it costs about half that of the best olive oil, but because of its richness, quality and purity.

For French Dressing, Mazola blends readily—and Mayonnaise made with Mazola will keep for weeks without separating.

Once you try Mazola you will never go back to lard or butter for cooking—or olive oil for dressings.
