The names of the other three vessels have not been learned by the local companies. The Kaisho Maru will come direct to Portland in ballast, sailing from

#### GOVERNMENT DREDGE DEPARTS FOR COOS BAY

With her winter overhauling completed, the United States Engineers' dredge Colonel P. S. Michie, left down the river this morning for Coos bay, to begin the spring dredging work on Coos bay bar, which shoaled to a considerable extent during the stormy weather this winter. Captain George Seeley is master of the dredge, which will remain at work during favorable weather this spring and summer. It is hoped by the engineers that the bar can be dredged to the 30-foot level this season.

TAKES FIRST FULL CARGO FROM PORTLAND TO EGYPT

Taking probably the first full cargo ever shipped direct from this port to Egypt, the 9600-ton steel freighter Eelbeck left down the river for Alexandria at 1 o'clock this afternoon. The vessel carries 7350 long tons of sacked wheat or 275,000 bushels, which the shippers value at \$785,000. Captain Charles Arey Wednesday afternoon for her southbound posed.

#### New Union High School Sought by Gresham Residents

At a mass meeting of the citizens of Gresham Wednesday evening to consider the building of a new union high school it was resolved to endeavor to secure the incorporation in the union way, which owns 215 acres in the pro- high school district of 10 additional grade company and the Clarke County Tim- \$65,000 to construct a new union high school.

The proposed union district would include part of Clackamas county and add 10 to the six districts now comprising the union district. The proposed territory has assessed valuations of about \$5,000,000. The present union high school has over 200 pupils. The institution will have over 300 next year and the present building is entirely inadequate to accommodate such a number.
