

April Finds the Powers Store Offering Unusual Inducements to Spring Home Furnishers

Price cuts are very deep—but not at the expense of extended credit terms. The furniture you need to make your home all that you desire can be had on most generous terms—granted without interest.

Fifty-three years of furnishing Portland homes is Powers' record! The name is a guarantee of quality—all Portland and its environs know that a price cut at Powers' does not mean a quality cut—but always means a good investment.
