The Clothing Buyer of Today MUST LEARN

To measure his value in

SERVICE!

And that's where WE come in

Four Big Reasons, as Follows:

- 1—Stein-Bloch
- 2—Fashion Park
- 3—Langham
- 4—Langham-High

—Our Store for Men is performing a remarkable service these days.

—And those who are taking full advantage of the privileges it features are the men who realize that they must measure their value in service.

—We guarantee service when you buy a Stein-Bloch, a Fashion Park, a Langham or a Langham High suit.

—And the manufacturers back our guarantee—although the men of Portland know that is hardly necessary.

—This is the kind of clothing you would want even though it were priced to you higher than most makes.

But it is NOT!

—If anything, you will find our superior tailored garments from the four celebrated manufacturers mentioned above even lower in price—though better in quality.

—Step in tomorrow and allow us to show you a few of the attractive new Spring models.

Suits at \$75

—That are food for thought for the man who is paying his tailor \$110 to \$150.

—Fifth Floor, Lipman, Wolfe & Co.
