Here, in abundant variety, are what I firmly believe to be the best boys' clothes in America, or anywhere else; they're built right, from fabric right through to finish. When I sell a father or a mother a suit of these clothes I feel that there's going to be a mighty lot of satisfaction in that household. It's really surprising what a lot of sustained wear can be put into boys' clothes if you try. You'll find it in these!

FIRED ON WAR ON

The Taxpayers' league, under the leadership of Robert E. Smith, its secretary, is planning to stage a drive against the Non-partisan league, and start it before the official advance guards of that organization make their scheduled appearance in Oregon in June. Preliminary to that move a meeting has been called by Smith for 10 o'clock Saturday morning at the Chamber of Commerce.

It is the general understanding that advance agents of the Non-partisan league are to be sent into Oregon next menth for the purpose of organizing the state in the same manner under which North Dakota, Minnesota, parts of Washington and other states have tries may been organized. Makers of Ryzon to Publish Book of Baking Experiences

To give housekeepers throughout the country a chance to compare experiences in home baking, the General Chemical Company will issue a booklet of actual experiences with Ryzon Baking Powder. So striking has been the success of women with this baking powder in the two million American homes where the Ryzon Baking Book is used, that the manufacturers have decided to publish a number of Ryzon experiences as told by the women themselves.

Manuscripts should be written on one side of the paper only and sent with the name and address of the writer to the Food Department, General Chemical Company, 25 Broad street, New York, N. Y., before June 1.

This is not a prize contest, but all accounts published will be paid for according to their merit at rates ranging from \$5 to \$50 each. Everyone who sends an account of Ryzon experiences will receive a copy of the new book when it is published.

The accounts should be concise and at the same time include all interesting details from the time the recipe was mixed according to directions in the Ryzon Baking Book to the time the finished dish was served.

The new Ryzon Baking Book (original price \$1.00), containing 250 practical recipes, will be mailed, postpaid, upon receipt of 30 cents in stamps or coin. Or if you will purchase two or more pounds of Ryzon at once from your grocer, sending us his name and address promptly, we will mail you a Ryzon Baking Book free.
