REAL ESTATE FOR SALE-HOUSES

ON EAST MAIN STREET, in the cen-

ON EAST MAIN STREET, in the center close in on the east side, is one beautiful place that is especially adapted for more than I high-class purpose. It is one of those exceptional corners on 42d and East Main, with a large plet of ground very highly improved, fruit of all kinds in full bearing, shrubbery and fixwers galore. No more beautiful place to reside in the city of Portland. You have with this place practically 1-3 acre of land all in lawn, flowers, shrubbery and fruit and there is on these lovely grounds a good modern enough 12-room house, with every convenience desired by an up to date family. For a doctor's sanitarium it fills the bill to the letter, or for a private residence nothing could be better. There is garage room and a chicken house on the place. Too much cannot be said in favor of this splendid location and home and the price is so inconsequential, only \$6000 pays in full and buys everything except the furniture and that, if you wish, you can buy for 25c on the dollar. All you need is \$1500 cash down, the balance on easy terms at 6 per cent. Say, if this place is worth \$1, it is worth more than \$10,000.

M. J. CLOHESSY, Abington Bidg. 8 rooms, absolutely modern, garage con-nected with kitchen; complete basement with servants' quarters.

ONLY \$6200, and no person will place a less value than \$10,000 for all that you get for this price. Practically in the residential center of the best part of the east side, not any farther out than 33d st. A corner 100x100 ft., cement sidewalks and curbs, stone wall of tasty construction enclosing this quarter block. There is a concrete garage, new; fruit of all varieties in full bearing of the best quality, shrubbery of the rarest and flowers of the choicest, deluging the place.
