

**PARENTS WARNED  
AGAINST ACTS OF  
DEGENERATE MEN**

Police today issued a warning against degenerates who are haunting the wooded sections of the suburbs. Recent reports that young women and little girls have been molested by men, with the immediate disappearance of the assailants so far have led to no captures, one of the reasons being that the police are not notified promptly.

Mrs. R. A. Griffith, 804 Thirty-fifth street, Tuesday evening fired six shots from a revolver into the brush near her residence, when her 9-year-old daughter Alice came screaming into the house, stating that a strange man had accosted her while she was at play at Thirty-fifth and Brooklyn streets. The miscreant escaped. Police could find no trace of the assailant.

**Four Families Are

The roof and second floor of the building were burned and damage was estimated at \$3000.
