**The Young Men of Portland—
Are a Pretty Wise Lot**

They have in particular a wonderful clothes sense. They know what it is to be well dressed, and they seem to know instinctively what is the right thing to buy. They want good clothes, of course—good fabrics and good styles—and they are generally mighty keen about values. And these young men of Portland are coming in force to this Meier & Frank clothing sale and—BUYING! So in the interest of other young men who may not know of the big thing that's taking place and who have proper faith in the judgment of their fellows we want to pass this good news along—

**There's a Wonderful Sale
at Meier & Frank's**

in which suits after a young man's heart—suits with the snap and dash that young men demand—suits made expressly for young men—are offered for Anniversary at the remarkably low price of

\$29.75

They Are \$40, \$45 and \$50 Values

and we could even appraise them at more but we want to be conservative and, anyhow, the suits will tell you their own worth better than words of ours.

**All Are New This Season
Nearly All Are All Wool**

In fact, more than half of the suits in this sale just came to us in a special purchase made by our buyer now in the east and every one of these is guaranteed by the maker to be all wool. To insure a sufficiency to go around we have added suits from our regular stock of like value. The result is an assemblage that we can recommend as without a peer.

All Sizes From 34 to 42

Standard makes. Suits for spring and summer and medium weight garments for all-the-year-round wear in our Oregon climate. Unfinished worsteds, cassimeres, chevots and tweeds. All new models, patterns and colorings.

**Picture of a Young Man Who Asked the Salesman
"Got Many Styles in These Toyos?"**

**Toyo Japanese Panama
Hats in a Sale
\$2.45**

You'll be surprised when you see how good looking they are, how like the South American Panamas; and you'll be surprised and pleased with the way these Toyos will wear. They're gluttons for punishment. And yet treat them half way right and you'll have a hat that will pass muster in the fastest company. Better get one—especially when you can buy it for so little.

Speaking of Styles

Toyo styles pattern themselves almost exactly after those of the South American Panama and there's hardly any end to the variety. All sizes, of course.

And as for Straws

—their number is legion at this store. All the Sennits and Split Straws and Leghorns and Bangkoks and Balluks you could shake a stick at. Flexible straws—good ones as low as \$3. Knox straws from \$5.

Genuine South American Panamas begin at \$5—an extremely modest sum for the quality.
