Levinsky Georges

NEW YORK, May 24 .- (I. N. S.)-The signing of Georges Carpentier and Bat Levinsky for a bout for the world's heavyweight championship was hailed with approval by boxing fans throughout the country

Despite repeated assurance that he came here to fight-to meet Jack De sey if possible—many American box fans had begun to believe that Carp tier would eventually return to France without drawing on the gloves in a pr

program for Decoration day on the Waveriey Country club links. No definite entry fee has been set, but all proceeds will go to the Lauder fund for disabled soldiers and sailors.

Frenchman. Levinsky combines speed and cleverness with quite a little punching ability and though he has been in the ring for a number of years and has always ranked as one of this country's busiest boxers, he is a good trial

As Carpentier is holder of both the heavy and lightweight titles in Europe his match with Levinsky will be a title affair and if he hopes to meet Jack Dempsey he must defeat the battler—a weights aside from Jack Dempsey has been able to perform decisively.

The Levinsky-Carpentier battle will be staged by Jack Curley on or before July 26. It will be either for 12 or 15 rounds, with or without a decision, de-

name a site four weeks in advance of the bout and it is probable that New York will land the plum, for favorable action on the Walker boxing bill by Governor Smith is expected within a few days.
