will be recited in many of Portland's churches Sunday morning, but a still larger number will hold their annual festival on June 13.

Children's day is held in the ch about the time the public school year closes. Many Sunday schools make this date their graduation day. Children having done notable work are promoted to a higher division. Gradually the Sunday schools are seeing the wisdom of adopting certain day school methods in the Sunday school methods. The graduation idea was one of the first to be adopted. Many schools are now doing away with the general as-

sembly and are grouping their children by ages and using every minute avail-able to teach them religious truths. During the past two years emphasis has been laid on the necessity of having trained Bible teachers in the Sunday school, which has resulted in the establishment of a Portland training day night from October 13 to December 15, and the second from January 5 to March 19. The Portland Church Feder-ation and Multnomah County Sunday School association direct the at the hour of morning worship at the Second, Third and Fourth United Brethren churches.
