Elliott, state forester, left Monday for Coos county, where he is looking over the ground for a site of his judgment and ability falls for use as an emergency landing for the state of his judgment and ability falls for the landing for the state of his judgment and ability falls for the landing for the state of his judgment and ability falls for the landing for the landing falls for the landing for the landing falls for the landing for the landing falls falls for the landing falls falls for the landing falls f as an emergency landing field carry out the wishes of his political party as expressed by its voters at the time of his election."

hospital here in 1909 and 1910, the vehicle by which he became a can-seen sentenced to serve 5 to 20 didate. But he clings to his obsolete at hard labor in the Kansas political god of statement number two. rison for complicity in the He claims the right "to wholly disre-of the infant child of Miss gard the vote of the people "if the reason murder of the infant child of Miss gard the vote of the people "if the re-Zelphia Loomis at Wichlta. Kan., ac-cording to information received here McCamant was one of those who

M'CAMANT IN ROLE in Oregon. He is the one in 1920, a decade after his compatriots in arms admitted defeat, who is attempting to scuttle the primary law at Chicago. It is not that McCamant hates Johnson

initiation in 1904, wrote the principle in the Chicago convention is the ghost of the old issue structure to as expressed at the polls should be from the grave in which the people of guide of their servants elected at Oregon buried it in 1910. the polls when they included statement number one in the direct primary law. They then decreed that candidates for the legislature should pledge themselves to vote "for that candidate for United States senator in congress who has re-ceived the highest number of the peo-ple's votes for that position at the gen-eral election next preceding the election of a senator in congress" without regard to "individual preference."

OLD GUARD DIED HARD Against this rock the old guard and he old guard leaders of Oregon, Mc- under agreement between Josephine ant among the rest, were politically county, the state and the forest service

New Ethics

THE health of the people is one of

shipwrecked. They passed out, but no without a long and bitter struggle. ithout a long and bitter struggle. Oregon has not forgotten the days of Ormsby McHarg, who came from the nner circle of the old guard in the East into repudiation of the pledge it had taken to follow the principle of state-ment number one. It has not forgot-ten the concerted and concentrated at-tempts of the old guard, McCamant in-cluded, to elect legislatures piedged to statement number two in which the candidate lold the votes that he would "consider the vote of the people for

"consider the vote of the people for United States senator in congress as nothing more than a recommendation, Efforts on the part of local officials to divert the steamship West Hartlund for discharge from Seattle which I shall be at liberty to v/holly dis-regard if the resson for doing so seems to me to be sufficient." And it has not to Portland have been without result and the inbound steamship from forgotten the unanimity with which the voters relegated these candidates, and their advisers, McCamant among the rest, to the political discard, where most Singapore will leave 1000 tons of now 48 hours out from the straits. That issue was settled and settled

Wheat or flour or mixed cargo for the grain corporation will be loaded on the York or an Atlantic port f. o. b. To load lumber for the Orient for Mann & Titus, the steamship Bantu will be due at Astoria Wednesday night.

STEAMER ASTORIAN BREAKS SHAFT; KELLOGG IN PLACE their will as expressed at the polls be observed, by enacting the initiative law governing the election of delegates to the Mational conventions, which law Mc-Breaking the intermediate shaft of the steamer Astorian on the up trip Monday delayed Portland-bound pas-sengers for several hours. Passengers were sent to Portland on the O-W. R. & N. steamer Harvest Queen, arriving at 5 o'clock. The Astorian was towed by the steamer Shaver and arrived at mid-

Mons "shall subscribe an oath of office During the period necessary for making repairs the business of the company will be handled by the steamer Joseph Kellogg. The latter boat sailed on time Monday with a large crowd of delegates to the Grand Army conven tion, which opens today in Astoria.

STONE BARGE TO LEAVE McCamant admits that law to be in For San Pedro in tow of a quarter-master tug the stone barge Captain Bootes is scheduled to leave Astoria Thursday. She will be in charge of Four Conventions Captain D. W. Dobbins and a crew of seven men. The Bootes is the sole and only survivor of four of the concrete Of G.A.R. and Alli tenders built at Vancouve tempted to hamstring the primary law in the troublous days from 1905 to 1910 Wash., for service in southern ports. In tandem tow the four craft left Astoria when the voters of the state were but came to grief. The Bootes came struggling to maintain their authority home under her own power and the other three went to the bottom. No in supremacy of the bosses, the corrup-tion and the machinery of the old guard

> WRECKED SCHOONER TOTAL LOSS: CREW IS RESCUED San Francisco, June 8.—(I. N. S.)—Cable advices to the Chamber of Commerce today announced that the schoon-er Ingard, Captain Jolin Turloss, wrecked June 3, on Guelelevu reef, is a

> ALL ALONG THE WATERFRONT Bringing 1,000,000 gallons of gasoline, the Standard Oil tanker El Segundo is due to arrive in Portland Wednesday. She has in tow the barge 93 with fuel oil.

oil.

From Monterey with 200,000 gallons of light oil, the Associated steamer W. F. Herrin sailed Sunday night and will be due here Thursday.

Outbound for San Francisco and San Pedro, the McCormick line steamers Multnomah and Willamette with passengers and freight are booked to sail Wednesday afternoon

gers and freight are booked to sail Wednesday afternoon.

For spars, shrouds and rigging, the five masted barkentine Kate G. Pederson shifted from Columbia City to St. Helens Monday.

The Port of Portland dredge Tualatin has shifted to the upper harbor. She will cut out the channel above the Inman-Poulsen mills. Deposits will be dumped on Ross island.

Arrival of the steamship Abercos, with lumber and general cargo from Portland, is reported at Yokohama.

Position of Vessels Radio from North Head reports the pom., June 7:

Ciercise

keep it handy

good dentistry can be had at moderate prices. Dr. Parker is thus making new and better ethics for the dental profession. He is opposed to any ethics that keep people ignorant of the dangers of infected teeth.

Under the new ethics, the great masses are now getting good dentistry, while under the old style only the favored few knew about it and could afford it. Your health depends much upon your teeth. You are invited to call and have a free examination made.
