Adding 200 NEW SUITS to Portland's Greatest Sale

Men's and Young Men's \$60 and \$65 Suits

\$42.50

Doesn't take long to tell the story. When others were marking time our Men's Clothing buyer went East at the right time a few weeks back. Saw his chance to make a number of "live buys" of new suits direct from the manufacturers at a much lower price for cash. Satisfied himself that the garments were up to the regular MEIER & FRANK standard and bought liberally—this despite the fact that our regular stocks are as large and well provided for as ever in our history.

His judgment has been vindicated. Shipments are coming in now and we've already electrified Portland with some wonderful values in men's new suits, to which the response has been equally wonderful. Two hundred of these specially purchased suits newly come to hand go in this \$42.50 sale tomorrow.

If a saving of more than a fourth on new standard clothing interests you, see what this sale has for you right away.

It is a most complete assortment of men's and young men's suits that we offer tomorrow at \$42.50 instead of \$60 and \$65. All the new fabrics for summer and the serviceable all-the-year-round sorts find adequate representation. The patterns and colors are as new and tasteful as a man or young man could wish. All becoming models for men and young men. Sizes range from 34 to 46.

—Meier & Frank's: The Store for Men, Third Floor.

How About a Full Dress Suit—at \$57.50

Another sale of exceptional moment is this in which we offer choice of our entire fine new stocks of standard \$75 full dress suits at a saving of almost a fourth. We can recommend these suits to men who are particular as to how they look in full dress, for the garments have the well-bred look that comes from fine fabric and fine tailoring. A saving of a fourth on such suits is indeed unusual.
