

LUMBER ORDERS SHOW INCREASE; SHIPMENTS GAIN

Production List From 127 Mills Given; Rail Business Heavy; All Cargoes Are Included.

Lumber orders at mills in Western Oregon and Western Washington for the week ended June 5 were materially higher than for the previous week, according to the bulletin of the West Coast Lumbermen's association. The average new business per mill was 460,353 feet compared with an average of 397,190 feet for the last week in May.

Production at 127 mills contributing to the report was 34,846,700 feet, a considerable reduction compared with previous weeks, being attributed to continued car shortage and seasonal trade conditions. By reason of the car shortage the unshipped balance of business on the books of the mills shows a marked increase, according to the report, and yards are congested with abnormal stocks.

RAIL SHIPMENTS HEAVY

Rail shipments for the week totaled 48,570,000 feet; local deliveries 3,916,147 feet; domestic cargoes 6,976,876 feet. Water shipments were approximately 20 per cent of the total. New business accepted for rail delivery amounted to 43,080,000 feet; local delivery 2,174,841 feet; coastwise delivery 7,939,447 feet, and for overseas delivery 5,274,460 feet, a total of new business accepted at 127 mills for the week amounting to 58,468,688 feet. The total unshipped orders on the books reporting mills is 385,466,308 feet.

Wounded Soldiers To Be Given Chance To See Rose Parade

Approximately 80 men who were wounded or injured in service and who are now confined to Portland hospitals or homes, some bedridden, will have opportunity to see the Shriner and Rose City parades by efforts of the American Legion.

Arrangements have been made for the men to see the floral and Shriner night parades from machines at Sixteenth and Seventeenth street intersections on the south side of Yamhill. Frank Moore is chairman of a special committee of the legion making arrangements. The electric parade will be

Mrs. Jane Doyle, ex-army nurse and head of the American Red Cross nursing bureau, will assign a nurse for each automobile in which the men will sit or lie, and the machines will be driven by members of the Red Cross motor corps. Mrs. I. Aronson, commandant. Several of the men are helpless and will have to see the parades from cots. In addition to the nurses, physicians will also be in attendance. Arrangements were made by Moore with Chief of Police Jenkins and Police Lieutenant West Thursday.

Teachers Raise \$300 For Movie Machine

Umatilla, June 12.—More than \$300 was raised during the past school year by the teachers of the Umatilla school with a series of motion picture shows and the money was used to pay for the motion picture machine owned by the school and expenses of operating it. The officers of the teachers' organization

GRANDMOTHERS PASS GOOD CHEER

Women Over 70, Members of City Methodist Churches, Are Guests at Home.

More than 3500 years of happy, useful, Christian living were represented last Thursday when the Deaconess auxiliaries of the Sunnyside, Mount Tabor, Woodlawn and Wilbur Methodist churches and the Home auxiliary extended their hospitality to all women of the 23 Methodist churches of the city who had passed their seventieth birthday.

Fifty-two silver-haired mothers, grandmothers and great-grandmothers, ranging in ages from 70 to 93, gathered at the home, where they recalled old times and told stories. Mrs. M. E. Nickerson recited the "One Horse Shay." Mrs. M. Westfall gave a sketch of her trip across the plains in the early fifties, and Mrs. C. W. Swinney gave, in negro dialect, "Mandy May's Gratitude." In addition to these numbers by honor guests, Mrs. E. N. Wheeler, one of the hostesses, sang two solos.

The women had their pictures taken and then came refreshments. Each guest was presented with a little souvenir booklet bearing the date and place of the social and a little verse. The rooms were decorated in golden hearted daisies and Scotch broom. Six of the guests had passed their eightieth birthdays and two had passed the 90 mark. The latter were Mrs. Sarah Beharrel, who is 92, and Mrs. Ellen Love, who is 93.

Much credit is due the auxiliary president, Mrs. W. A. Bartholomew, Mrs. A. Polifka, Mrs. E. Gottfrieds, Mrs. J. M. A. Laue and Mrs. C. U. Moore; Miss Nellie Curtis, superintendent, and the entire staff of deaconesses.

The guest list included Mrs. Eliza Anderson, Mrs. J. S. Simmons, Mrs. E. C. Copeland, Mrs. J. Barbara Hoyt, Mrs. Sarah Beharrel, Mrs. Elizabeth Smith, Mrs. M. L. Hoffman, Mrs. H. A. Bartholomew, Mrs. E. Seigner, Mrs. S. I. Graves, Mrs. E. A. W. Wiley, Mrs. M. M. Emmons, Mrs. O. E. Bates, Mrs. M. E. Nickerson, Mrs. C. W. Swinney, Mrs. H. E. Pope, Mrs. C. E. Arnold, Mrs. M. Westfall, Mrs. E. T. Witter, Mrs. H. B. Johnson, Mrs. M. A. Williams, Mrs. S. P. Anderson, Mrs. M. A. Warner, Mrs. W. A. Brumbach, Mrs. M. J. Malcolm, Mrs. M. E. McMullen, Mrs. J. G. Wilson, Mrs. A. Bumper Yield of Grain Is Predicted; Car Demand Heavy

Seattle, Wash., June 12.—(I. N. S.)—Prosperity for grain growers of the northwest depends on transportation, according to Max Houser, grain expert of Portland, who talked before the Washington Bankers' association in session here today.

If the railroads provide sufficient cars the wheat crop can be moved in eight or nine months, he said. Houser predicted a bumper crop.

A patent has been issued for a drill equipped with a clamp to hold it in position when it is used to bore holes in pipes, shafts and other objects.

Trouble Over Rifle Leads to Arrest of Two Kellogg Men

Roseburg, June 12.—Douglas and Bryan Tapp of Kellogg were arrested on a warrant charging assault on Wallace Fryer. Fryer had been away from home, and on his return missed his rifle, finding in its place an old, rusty rifle. He went to the Tapp cabin and a fight ensued, during which one of the Tapp boys is said to have fired a

shot. Later in the evening the two brothers, it is charged, went to the Fryer home and attacked Fryer, beating him severely.

Flag day will be observed in Roseburg Sunday. The Dixieville, South Deer Creek and Roseburg bands will parade, followed by exercises in the Elks temple.

The Douglas county Republican central committee was organized, with Judge D. J. Stewart as chairman.

The Knights of Pythias elected officers as follows: Roy O. Young, G. C.; Eldred T. Shrum, V. C.; Rudolph R. Hiltman, P.; C. A. Chamberlain, M.

Mullenix Sentenced To Eight-Year Term

Salem, June 12.—Jesse Mullenix, who Monday pleaded guilty to a charge of assault with intent to kill T. W. Steiger, wealthy Marion county farmer, last March, was this morning sentenced to a term of not to exceed seven years in the state prison. Mullenix will be "dressed in" at the penitentiary some time today.

The Pleasure of Making Music

Practically everyone likes to make music. Man is born with a craving to express something within him, in musical tones of some sort, something that he is unable to express in any other way.

This is the secret of the wonderful popularity of the Player-Piano. Of all the pianos made in this country last year, it is said that over 60% were Player-Pianos.

Watch the owner of a Player-Piano—some middle-aged business man—after dinner in the evening! Note the manifest pleasure it gives him to play the old favorites of his youth; how his body moves and sways as he hurries the music a little here, slows it up there, softens this passage, swells out on that, just exactly as tho' he were doing everything himself, instead of simply controlling the expression.

Then see the young folks with a Player-Piano; now using "song-rolls" with the words of popular songs printed on them; now dancing to the snappiest, most cleverly played dance tune of the day.

It is a versatile instrument—the Player-Piano—responding with suitable music for every mood and every occasion. And it is no wonder that so great a number prefer the player-piano of today, to the silent piano of yesterday.

We carry the Aeolian Company line (makers of the famous Pianos and the marvelous Duo Art) and offer a most varied line of Player instruments at a wide range of prices. Our convenient payment terms make owning a Player-Piano an easy matter. There is so much joy in owning a Player, for every member of the family—why not come in and see us about it today?
