The Only Cash Payment
Required Is the Customary
Moderate First Payment

SO why tolerate needless waste of time in the endeavor to accomplish good sewing results with an old-fashioned machine when a small sum will bring to your home one of these celebrated "Free" sewing machines—the latest word in sewing machine accomplishment and improvement.

THE "Free" Machine sews so rapidly and so easily that the experienced or amateur seamstress will really enjoy using it. It has six sets of ball-bearings and is GUARANTEED FOR A LIFETIME OF SERVICE. The "Free" is so constructed that you can rest while you sew—for your position at the machine is most natural and comfortable at all times.

IN A SURPRISINGLY SHORT TIME YOU CAN SAVE MORE THAN THE ENTIRE COST OF A NEW "FREE" SEWING MACHINE

—Because you can easily make your own and your children's wearing apparel.

—Come in tomorrow and investigate the merit of our special \$15 (or more) allowance offer. Never has a Portland paper published as far-reaching or as generous a sewing machine offer.

A Great New Shipment of the 'Free' Desk Electric Sewing Machines Has Also Arrived

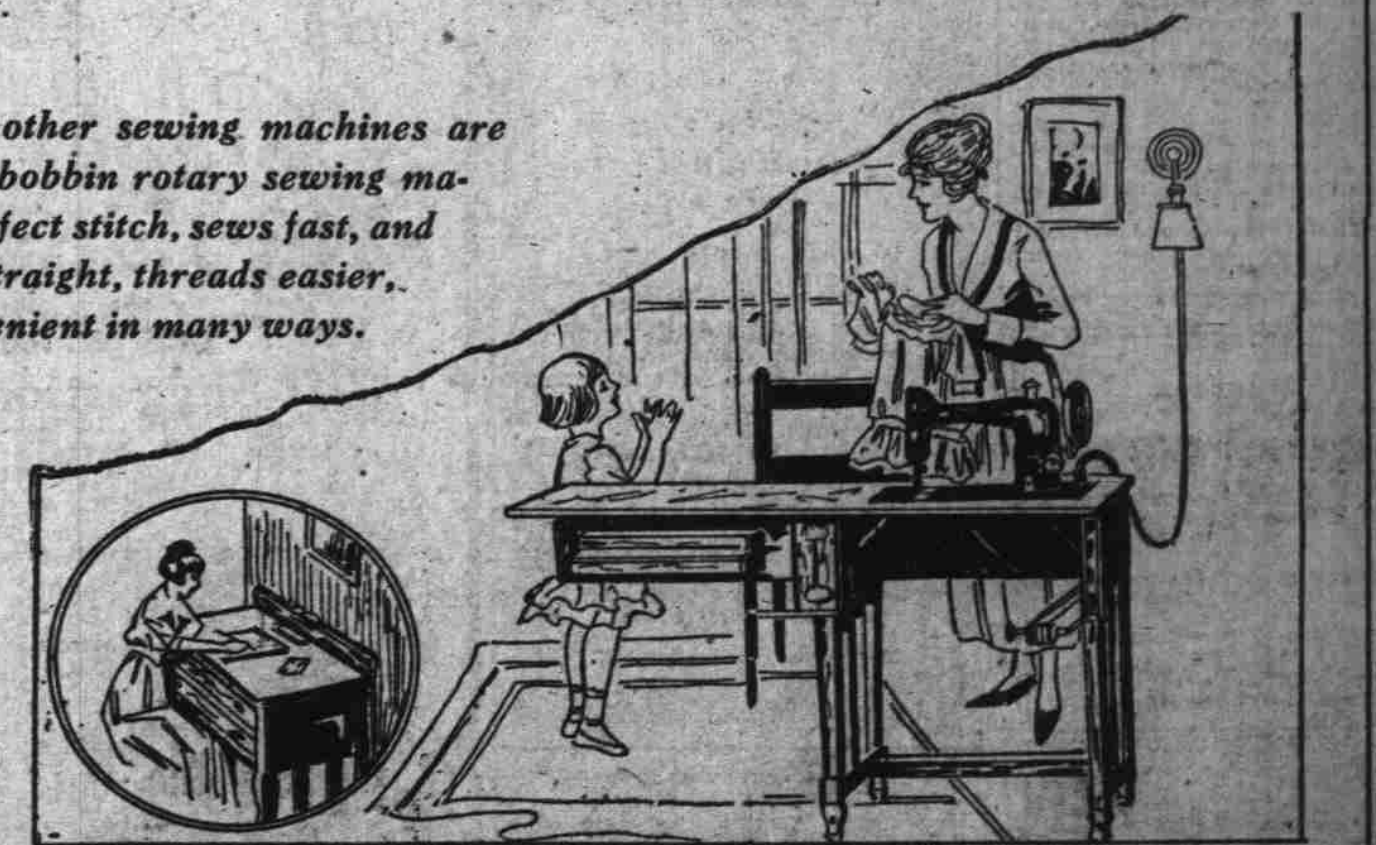

HERE is something entirely different in an electric sewing machine. Fancy it! A beautiful desk when not in use—not the slightest resemblance to a sewing machine!

—This is the only electric machine with a built-in motor. You simply attach the cord to any electric light socket, press the knee against the controller to obtain the desired speed. You can run this machine for three hours at the insignificant cost of one penny.

The good features of all other sewing machines are combined in these long bobbin rotary sewing machines. It makes a perfect stitch, sews fast, and lasts longer, feeds straight, threads easier, and is more convenient in many ways.

YOUR OLD MACHINE WILL BE ACCEPTED IN EXCHANGE FOR \$15 OR MORE EVERY WOMAN WANTS AN ELECTRIC!
