TUESDAY'S BIG FEATURE
IN THE WHITE SALE

Very Specially Priced

Every woman will want to read this news. Here are dresses that are as pretty as a dressmaker would design for you especially. All the colors that are most becoming—lovely blues, pinks, yellow, lavender, green, gray and almost any favorite combination.

One of the most fortunate collections of house dresses offered in a long time. A season's clearaway of one of our large regular makers who turned over to us his entire remaining stocks, including samples and styles not to be duplicated.
