

ROCKEFELLER GIFT OF \$350,000 MADE TO WILLAMETTE U.

Willamette University, Salem, June 15.—The general education board of the Rockefeller Institute has presented Willamette with a gift of \$350,000, to be applied on the additional million dollar endowment campaign, it was reported to the board of trustees in annual spring session here Tuesday.

An additional \$17,500 will be forthcoming from the same source for a period of two years to care for increased salaries and new laboratory equipment, provided the trustees contribute a like amount. A resolution calling for an average increase of 40 per cent in professors' salaries was passed, and three additional instructors were authorized for departments in English, history and education.

TO COMPLETE BUILDING PLANS
The \$100,000 building campaign, reported to be progressing satisfactorily, was ordered carried to completion.

The present officers of the board of trustees were reelected as follows: B. L. Steeves of Salem, president; C. B. Moore of Portland, vice president; I. H. VanWinkle of Salem, secretary; A. N. Bush of Salem, treasurer. Three new members were elected to the board, M. L. Jones, Salem; B. E. Carrier, Salem, and Bishop William O. Shepard of the Portland area, Methodist Episcopal church.

ANNUAL CLASS DAY
Annual class day exercises were held in the afternoon, featured by class stunts and the presentation of the senior gift, an art window in the refurbished Waller hall chapel. Merrill D. Ohling, class president, made the presentation address, and the gift was accepted by Dr. Steeves in behalf of the board of trustees.

An added feature of commencement week is the reunion of the class of 1915, after an absence of five years. Commencement exercises and the annual alumni meeting and banquet are scheduled for today.

\$1000 Is Subscribed For State Chamber Objective in Eugene

Eugene, June 16.—At a booster luncheon in the interest of the State Chamber of Commerce approximately \$1000 was pledged by 150 business men, and 14 business men volunteered to seek the balance of Eugene's quota of \$3500.

The Lane county Democratic central committee elected Donald Young, deputy district attorney, chairman; Mrs. Rita Edmundson, secretary, and Fred M. McKelvey, president of the Lane County Good Roads association, treasurer. Frank L. Armitage was chosen as the Lane county member of the state central committee, and George N. McLean will represent the county on the congressional district committee.

Impressive military services were held here Sunday for the two Eugene soldiers—Marion Pennington and John C. Hurd, of the sixty-fifth coast artillery—who lost their lives while with the American army in overseas service.

Eddie Morgan, alias Canning, pleaded guilty to a charge of forgery and was sentenced to two years in the penitentiary.

War Hero Decided Against Suicide Is Searchers' Belief

Albany, June 16.—Search for J. F. Thompson, survivor of the lost battalion, Seventy-second Seafoe Highlanders, who disappeared Saturday leaving letters to friends that he intended to kill himself, was abandoned Monday afternoon after he had been traced to Goshen.

It is now believed the veteran fell into a fit of despondency during which he decided upon suicide and then, after a walk in the country, became more sane. He took little money with him. A small bank balance remains to his credit here and his possessions more than cover his debts. He left his automobile, partially paid for, at the Day Motor company, where he was employed as a mechanic.

U. of O. Students Are Named Pilots Of Patrol Planes

University of Oregon, Eugene, June 16.—Don Davis of Nyssa and Jacob Jacobson of Eugene, students in the university, have received appointments from the Cascade national forest office as pilots of two of the four patrol planes to be stationed in Eugene. Their work will begin June 25.

Two routes have been mapped out—the northern along the Cascades, extending to the Columbia river, and the southern, as far south as Medford. Jacobson rose to the rank of chief special mechanic in the naval flying corps at Bay Shore, Long Island, N. Y., while Davis received most of his experience at the Kelly flying field in Texas.

Victim of Attack Identifies Wallace

Roseburg, June 16.—J. F. Wallace, held at Dayton, Wash., has been identified by Mrs. Gibson Hamilton of Reuben as the man who brutally attacked her on May 29, it is reported. Wallace has been employed at Starbuck as a lineman since June 6. Mr. and Mrs. Hamilton went to Dayton, where Mrs. Hamilton recognized Wallace. Extradition papers will be asked for his return to Roseburg for trial.

Estacada Enjoys Chautauqua
Estacada, Or., June 16.—The Radcliffe Chautauqua gave its first number Tuesday afternoon at the family theatre to a good attendance. The three-day program will close Thursday night.

EDUCATIONAL BASIS IN OREGON HIGH, SURVEY INDICATES

Salem, June 16.—Oregon ranks second among the states of the Union in the five educational elements involved in the recent comparative study of the school systems of the United States by the Russell Sage Foundation, according to information received by J. A. Churchill, state superintendent of public instruction.

Lack of adequate support of the schools of the state, however, places Oregon twenty-sixth in the list in the five financial elements entering into the study. Superintendent Churchill is satisfied that the additional state aid extended to the schools through the recently voted 2 mill tax will place Oregon near the top of the list.

The study further shows that Oregon

has advanced 10 points in relative standing among the states in the 28 years from 1890 to 1918.

Application for permission to appropriate water from Salmon creek for the irrigation of 55 acres in Baker county has been filed with State Engineer Cuper by A. N. Young of Baker.

Other applications for water rights have been filed as follows: By J. F. McKee of Creswell, Or., water from Canas Swale creek for the irrigation of a small tract in Lane county.

By Arlie Adon of Drewsey, Or., water from the middle fork of Malheur river for the irrigation of 25 acres in Harney county.

Word was received by State Forester F. A. Elliott here Monday to the effect that a brother, Howard J. Elliott, had died at his home in Danville, Ill., the first death in a family of nine children.

Twenty-five candidates for dental certificates are in Salem this week taking the examinations conducted by the state board of dental examiners. Monday and today have been devoted to written examinations and the remainder of the week will be devoted to practical demonstrations of dental work on convicts at the state prison here.

A belated financial statement filed with the secretary of state's office here Monday by Edward A. MacLean, candidate for delegate to the Republican national convention, shows total expenditures of \$119.46. An expenditure of \$15.50 is shown in a statement filed by

Robert A. Miller of Portland, Democratic candidate for presidential elector.

A study just completed by the state industrial accident commission shows that claims for workmen's compensation are now paid within an average of 4.1 days after they have been filed. More than half of the claims are paid within two days after being filed. The study also shows that employers' reports on accidents are filed in an average of 12 days, the workmen's report in an average of 15.8 days and the physician's report in an average of nine days. The study shows marked improvement in the handling of claims by the department over the figures resulting from a similar study last December.

Percy A. Cupper, state engineer, left Monday for Umatilla county where he will inspect the Teal irrigation district, which has made application for state guarantee of interest on a \$930,000 bond issue.

H. H. Pomeroy, deputy state fire marshal, is conducting an official investigation into a recent fire at La Grande, which is believed to have been of incendiary origin.

State Labor Commissioner H. C. Gram is in Baker and other Eastern Oregon points this week gathering data relative to the labor situation in the state.

Columbus Gains Population
Washington, June 16.—(U. P.)—Census bureau results, announced today, in

clude Columbus, Ohio, with a 1920 population of 237,031, representing an increase of 55,520, or 30.6 per cent, since 1910.

Federal Accusation Is Facing Two Men

Albany, Or., June 16.—Edward G. Kirk and Elvin Whitstone were taken into custody Tuesday on a charge of taking an automobile tire from a mail box at the Edward Bowers place, between Shedd and Brownville.

Seattle Instructors Win Pay Increase

Seattle, June 16.—(U. P.)—By a vote of 2 to 1 increase of wages for teachers was approved, totals of yesterday's voting announced today show. Principals will be increased \$900 each and every teacher will be raised at least \$300.

Who Can Sell ALL WOOL Suits for Less?

The Retailer?
OR THE
The Manufacturer?

IT stands to reason that our methods of doing business enable us to undersell any clothing dealer in town on fine ALL-WOOL Suits!

IN the first place we are the largest manufacturing clothiers west of Chicago.

SECONDLY, we obtain all of our fine wools direct from the mills—and here in our big tailoring shops, the pure wool cloth is cut, sewed and tailored into Men's Ready-to-Wear Suits by our expert designers, cutters and tailors.

DIRECT SELLING—from maker to wearer is our policy—and this, of course, eliminates the profits of the middleman.

IN fact, when you buy a suit here—you can "pocket" from \$10 to \$20—because you've saved the profit that otherwise would go to the Middleman and Retailer.

—Now, That's Food for Thought, Isn't It?

Furthermore, our manufacturing costs have decreased and we are making a liberal discount of 10% off—on our already low prices—of \$30 to \$60.
