

### SUFFRAGIST HEADS ARE MUCH PEEVED AT REPUBLICANS

Washington, June 23.—The Republican campaign machine struck its first snag Tuesday—one so serious that it may prevent the election of its nominee in November.

It was the expressed disapproval of woman suffrage leaders toward Senator Harding's attitude toward the ratification of the suffrage constitutional amendment.

This paramount question of the attitude of the women voters toward the Republican party overshadowed completely the other important developments of the day revolving around Senator Harding and Republican Chairman Will Hays. Among these was the appointment of the executive secretary of the Republican national convention.

There has also been selected one additional member of the executive committee who is not a member of the national committee, but Chairman Hays at a late hour today had been unable to get in touch with the executive committee of his name probably will be made tomorrow. In addition, Chairman Hays announced to be ex-officio members of the executive committee: B. Miller, Minnesota, secretary national committee, and Fred W. Upham, Illinois, treasurer.

**NOMINEE REFUSES**

The expressed disapproval of the suffrage leaders, which may even affect Republican success at the polls, came about as a result of senator Harding's refusal to interfere to secure the thirty-sixth state which will ratify the suffrage amendment.

Thirty-five states have ratified, but suffrage leaders at their conference with the Republican nominee Tuesday afternoon, were insistent that he use his influence with the governors of either Vermont or Connecticut for special ratification sessions of the legislatures in either of these states. This Harding refused.

### HAYS HAS COMMITTEE READY FOR PRESIDENTIAL CAMPAIGN

By John Gleissner  
(United News Staff Correspondent)

Washington, June 23.—Senator Warren G. Harding, Republican nominee for president; Will H. Hays, chairman of the Republican national committee, and party leaders have completed an organization which they asserted would sweep the candidate to victory in the November elections.

An executive committee was named which is to direct the campaign. Hays is chairman. Mrs. Harriet Taylor Upton of Ohio is vice chairman and Mrs. Christine Bradley South of Kentucky was named assistant secretary of the national committee. Six of the members of the committee are women. It is the first time women have been given a prominent part in a presidential campaign.

Harry M. Daugherty of Ohio, Harding's pre-convention campaign manager, is one of the members. Hays now takes Daugherty's place at the head of the Harding vote-getting machinery. Others on the committee are:

Mrs. Katherine Phillips Edison, California; Mrs. Manley L. Fosson, Minnesota; Jake L. Harmon, Oklahoma; John W. Hart, Idaho; A. T. Hays, Kentucky; Charles D. Hiles, New York; R. B. Howell, Nebraska; Mrs. Jeanette A. Hyde, Utah; Mrs. Arthur L. Livermore, New York; Senator Bolin, Pennsylvania; Mrs. Corinne Roosevelt Robinson, New York; Mrs. Christine Bradley South, Kentucky; John W. Weeks, Massachusetts; Ralph S. Williams, Oregon, and one other not yet announced because his acceptance has been delayed.

In addition the following officers of the national committee are ex-officio members: John T. Adams, Iowa; Clarence E. Miller, Minnesota; Fred W. Upham, Illinois.

### OWNERS PROTEST AGAINST PROPOSED STREET PROJECT

An ordinance for the improvement of Twenty-ninth avenue southeast, from Fifteenth to Fifty-fifth street, was before the city council today, as was also a protest from 54 property owners. The improvement district includes 78 lots, one 10 acre tract and one 15 acre tract, or 73 parcels in all. The bulk of the frontage is owned by school district No. 3, and it desires the improvement to give access to Franklin high.

The property owners find themselves in a position where it is said it would be practically impossible to protest out the improvement if all signed the protest, provided the school district insists upon its proceeding. They declare they are not against the improvement, but want to wait for lower prices. The matter was referred to Commissioner Barbur.

**WIRING BID ACCEPTED**

On recommendation of the purchasing agent, the city council accepted the bid of the Beaver Electric company for electric wiring in the emergency hospital at Kelly Butte, for a price of \$431.25. Authorization was given to advertise for proposals to finish floors and employment of a tinner at \$10 a day.

Permission was granted by the council to Miss Nina Burch to use a portion of the street in front of the Italian Baptist church on East Eighteenth street to carry on exercises for school children and entertainers.

**APPROVAL IS GRANTED**

The council gave its approval to a re-

port from Commissioner Pier recommending that the Portland Community Service association be permitted to solicit contributions of 50 cents per year from employees under civil service regulations.

Work on the establishment of a filling station by the Standard Oil company at Front and Porter streets was held up pending an investigation of protests. A representative of the company appeared at the council session to urge that the preliminary permits have already been granted, buildings have been cleared away, and that the work should proceed. The protesters urge that it is improper to have a gasoline filling station near a public school and members of the council discussed the propriety of having drawn at once an ordinance to prohibit stations within 200 feet from schools.

### Cottrell District Vote Opposed to Union High School

Sandy, Or., June 22.—The Cottrell school district voted almost two to one against joining the Gresham union high school. E. R. Brooks and W. L. Crissey were elected directors. E. E. Van Fleet was re-elected clerk.

At the Sandy school meeting Walter Krebs was re-elected to the school board and C. Sharke was elected clerk. The budget presented by the clerk was adopted. A special tax will be needed to meet increased expenses for next year.

J. G. De Shaer of Firwood was elected a director of Sandy union high school. Mrs. Coler Wilkins was re-elected a director of the same school.

**Milton-Freewater Delegates**

Freewater, June 22.—Among those who left Milton-Freewater to attend the Shrine convention at Portland were Earl Bartholomew, S. D. Peterson, Powell Plant, W. L. VanStyke, W. S. Demmon and Edgar Holm. William Hurs, who has been attending the Oregon grand lodge as a delegate from the Milton lodge, A. F. & A. M., will join them in Portland.

### Jenkins, Abraham Win in Hood River School Board Race

Hood River, June 22.—The election for directors of Hood River schools, held Monday, was the first real contest in years. Two directors were to be chosen, with five candidates, as follows: Dr. C. E. Jenkins, Mrs. Theresa Castner, Dr. V. R. Abraham, Charles N. Clarke and George C. Gladden. Clarke has just completed a term as director. Dr. Jenkins served on the board several years ago. Mrs. Castner is recognized as a leader in local Democratic circles and Gladden occupies a similar position in Republican circles.

Dr. Jenkins and Dr. Abraham won. Dr. Abraham is an overseas veteran and is prominent in the legion here. The figures were: One year term, Dr. Jenkins, 147; Mrs. Castner, 57; three year term, Dr. Abraham, 89; Clarke, 76; Gladden, 40.

### 26 Veterans File On Indian Lands in Sherman, Gilliam

The Dalles, June 22.—Twenty-six ex-service men filed homestead entries here Monday morning on Indian lands in Sherman and Gilliam counties. Roy Charper, Condon, won first draw. Each draw takes 640 acres. Former fighters may file on land up to August 12. Fifteen thousand acres are being opened.

This is a deserted village. Stores and offices are closed and streets barren. Most of the town is in Portland enjoying the Shrine convention.

### Clatskanie Elects 2 School Directors; New School Planned

Clatskanie, June 22.—At the annual school meeting E. A. Priest was elected director, succeeding Mrs. Elsie M. Maxwell, and Mrs. George B. Conyers was elected, succeeding E. D. Tichenor, who has served in that capacity for many years.

The question of bonding the district for the erection of a new school building will soon be submitted to a vote of residents of the district. According to present plans a concrete building will be erected, one unit of the project to be built this year.

Plans are nearly perfected for the holding of the fourteenth annual rose show here Saturday. Miss Helen Burke has been elected by popular vote as rose queen.

church of this place. The bishop will preach in his son's pulpit Sunday. Rev. Mr. Johnson is also entertaining his brother-in-law and sister, Mr. and Mrs. C. Graham Botha of Cape Town, South Africa.

Botha is at the head of the department of archives of the South African government and is in America on official business in connection with a tour which he is making of all the civilized countries of the world in the interests of his department. His wife, formerly Miss Dorothea Johnson, graduated from the Clatskanie high school two years ago, spending a year here with her brother while her parents were in Africa, following the meeting of the missionary boards in America. Mr. and Mrs. Botha were married during the holidays.

### Women to Share in Democratic Councils, If Plan Is Adopted

Sandy, Or., June 22.—The 12 field men on the "loop" survey are completing their work from Sandy to the forest boundary on the south side of the Sandy river, or the Sandy route, and the latter part of this week will start the survey from Sandy to Gresham. Field investigation will be completed in a few weeks, when data will be submitted to the state highway commission for a decision as to the route of the western end of the Mount Hood loop road.

### Forest Telephone Lines to Be Built

Roseburg, June 22.—Work on telephone lines throughout the Umpqua National forest is to be started at once. Supervisor W. F. Ramsdell states. The line serving stations along the North Umpqua trail is to be put through to the forks and next year will be continued to Diamond Lake. Several other lines are being extended and improved and three ranger stations are being built.
