Store for Men Offers

1282 New Silk and Fiber Silk Shirts

\$6.85

IT'S a business proposition and we shall endeavor to state it in businesslike fashion.

First of all, this is an evident opportunity to purchase silk and fiber silk shirts at a price but little higher than you have been accustomed to paying for a good cotton shirt.

---498 Shirts of All-Silk Quality

---784 Shirts of Heavy Fiber Silk

This requires some explanation. Briefly then our Men's Furnishings Chief went east recently with an expert knowledge of the market and carte blanche to buy, with sole proviso that merchandise must be up to MEIER & FRANK standard and the price right. Discovered an amazing lot of silk shirts in the hands of a manufacturer who wanted cash. Got them at his price. Had them rushed out by express. They're here. Every shirt brand new. On sale tomorrow for the first time.

---706 Shirts Are \$10, \$11 and \$12 Values

---576 Shirts Are Regular \$12.50 Values

The comparisons are based on what shirts of like quality are marked in our regular stock.

THE SILK SHIRTS include crepes de chine, woven striped crepes, flat and satin striped broadcloths, pussy willow taffetas, silk jersey. A multitude of patterns and colors in stripes of varying widths, also plain white silk shirts.

THE FIBER SILK SHIRTS in this sale especially will prove a revelation. They are of wonderfully heavy quality and will give men a new conception of fiber silk shirt wear which nearly every man knows to be extra good anyhow. Incidentally men are hungry for good fiber silk shirts—they've been mighty scarce of late. So this is luck.

Sizes 14 to 18 Included

The shirts are full cut and standard in every way—there is not a shirt among them but is new, perfect and thoroughly desirable. A saving of from more than \$3 to almost \$6 on such shirts is certainly remarkable—enough to make men buy them in twos, threes and sixes tomorrow.
