London, June 26. - (U. S.) -Camic pictures of hard-bitten manners. Arlie Mucks, Joie Ray, D. kilted Scots, deprived at length Ahern, Tom Campbell, Sol Butler of their whiskey, entertaining and Jack Scholz were some of those for "wet" points south of the border, who played up to former records by are beginning to flood the illustrated weaklies. They reflect the national Pleasant weather brought one of the feeling that in the fight to the death largest track crowds of the year to Stagg field to see the weeding out of on prohibiton which is now being the hosts of college and club athletes waged in Scotland, whiskey stands a for the finals which will be held July good chance of receiving a knockout

This is why the anti-prohibition forces their own campuses. Likewise, some cided to improve their crude and often old-timers were crowded out by the vulgar publicity campaign. They are now hitting with full force against Howard Drew, winner of the century drunkenness in a frantic effort to pre-in the 1912 Olympic. n the 1912 Olympic.

No records were broken, but the spirituous beverages. "Britain free as well as sober," is their resounding retort to the dry gibes about the "Drunken ner was at the front again when A. Lion" being pecked to extinction by the "Sober Eagle."

> A new anti-prohibition poster adorn-ing the billboards of Scotland reads: "The nation demands reform of the

licensing laws, to provide for: "The equitable reduction of unneces-sary licenses, better distribution of li-censed houses, improved accommodation to permit of the supply of meals, when required, and legitimate recreation, reasonable hours of opening, punishment of drunkenness, wholesome refreshment and fair prices.

"Parliament must supply what the nation demands." For exhibition in clubs, wine merchants' stores and other places, a card has been prepared which offers readers throughout England and Scotland the

ough and county councils. If they are already in, work to turn them out at the next elections. Faddists are not the men to be entrusted with the direction of public affairs and with the spending of ratepayers' money.

"England, say the American intruders is to be made 'dry' by the women's vote. Find out what they are telling your women folks and explain to them the other side. "Discourage drunkenness. A drunk-

ard is his own worst enemy, a public nuisance, and the prohibitionist's only strong argument."

Direct Credits Are Favored, He Claims

London, June 26 .- (I. N. S.)-"The majority of American manufacturers are opposed to governmental loans to European countries, but are strongly in favor of direct credits to the manufacturers in those countries." This was the state-ment made by S. N. Vauclain, president here and as a member of the track team won the interscholastic high school high jump title of Portland and the state as well. Last summer he represented the Multnomah Amateur Athletic club at the Amateur Athletic union and the state as it is a publication issued by the American Chamber of Commerce here. Vaudamateur Athletic union actions at the Police of Police in the property of the Baldwin Locomotive works, in an article written for Angio-American Trade, a publication issued by the American Chamber of Commerce here.
