COVEY MOTOR CAR COMPANY PLANT

The overhauling, rebuilding and refinishing of a used car is only as good as the determination of the desier to make it so, that has been said that we do too much to our used cars to insure reasonable profit, but we are content in the knowledge that after looking around the buyer usually returns for something he has seen and tried out at the Covey Motor Car Company plant. After all, we are in the used car business only to aid in the sale of new cars.
