

COFFEE PRICE IS SHOWING A LOSS

By HENRY H. COHEN.
Consumers are profiting by the exchange situation and the lower freight rates for the price of coffee continues to drop. During the day wholesalers named a cut of 3 cents a pound again in the price of all bulk roasted stock and this should be immediately secured by the consumer. Package coffees are at present unchanged and consumers can save much money by purchasing the bulk stock.
Sugar market continues to reflect weakness and a further decline within the immediate future would not be at all surprising. Refining and speculative interests have at last found that Mrs. Housewife will not longer tolerate advancing prices.
Package flours have been so high priced within the last two years that the average consumer has not been buying. An-

ouncement is made that for the new crop prices will be 20 per cent lower than a year ago.
Both dried and fresh beans are selling at extremely low prices. If consumers will so advise their retailer it is quite likely that an especially low price will be named for canning purchases in quantity.
The following prices are average ones consumers are expected to pay retail stores. Quality quoted is average, fancy stuff being slightly higher and inferior stuff fractionally lower.
Beans—Fresh, 60c per dozen; fancy fresh, 50c per dozen.
Butter—Creamery, 20c @ 40c per lb.
Eggs—Salmon, 25c per lb.; halibut, 30c lb.
Flour—Best local, 23.50 @ 4.50 per sack, 49 lb.
Potatoes—Burbank, 4 1/2 @ 5c.
Onions—Fried, 3 1/2 @ 4c lb.
Raspberries—Local, 20c per box.
Lemon berries—Fancy, 40c @ 20c.
Blackberries—15 @ 50c per box.

Hubby Swore at Her In Signs; Divorce

Atlantic, Iowa, Aug. 6.—(U. P.)—Mrs. Marie Norton wants a divorce because her husband swore at her in the sign language. They are deaf mutes.

'Out of Gas' Is Sign on Machines On the Way South

Ashland, Aug. 6.—Local garages and Ashland citizens in general are much concerned over the signs that have been seen lately posted on the windshields of south-bound tourists' cars. The signs are, "The Cruellest Words in Oregon: 'Out of Gas'." The service stations and local garages make no restrictions on gasoline to tourists and the drain has been unusually heavy, because most all tourists stop and camp in the park and get gasoline supply. The Standard Oil substation has materially helped the situation, as before its establishment gasoline was brought by truck from Medford. The drain on the local garages is heavy and they state they never know from one day to the next what the supply will be, but so far the supply has not fallen below the demand.

Tuesday evening the slaughter-house owned by James Barrett, a local meat

merchant, was destroyed by fire of unknown origin. The property was partially covered by insurance. Three months' stores of hides and tallow were lost, but no livestock was destroyed.

The third annual song service will be held on the rim of Crater lake next Sunday morning. Rev. John Holt, Presbyterian Sunday school missionary for Southern Oregon, will be in charge, and some prominent minister of the valley will assist in the service. This service is becoming popular and scores of automobile parties motor up to them.
