

CHAMBERLAIN HITS KEYNOTE AT COOS ON APPROPRIATIONS

North Bend, Aug. 13.—Senator Chamberlain Thursday night gave an address at a reception held in his honor at Eckoff hall in North Bend. There was a large gathering.

The senator spoke about the harbor work and the industries of Coos Bay.

One idea presented by Chamberlain was of much importance to this locality. He favors the plan of the government giving greater appropriations for the states in which there is located government land, for the reason that the burden of taxation in such states falls upon fewer persons than would be the case if the whole area of the state was privately owned.

The senator says that appropriations for these states should be greater somewhat in proportion to the extent of the government owned land.

As five-ninths of Curry county is in the forest reserve and as there is a large amount of land in Coos county containing valuable timber which is in government hands this view of the appropriation question is of local interest.

Senator Chamberlain arrived home early this evening from a visit to the logging town of Allegany, where he was proceeded today by Ralph Watson and D. E. McPherson who took the party's auto by boat to Allegany. From that place they will motor past Golden Falls to Scottsburg and Drain.

Wages of Ranch Hands Are Soaring In Inland Empire

Spokane, Wash., Aug. 13.—Wages of ranch hands have gone up more than 100 per cent in the last 12 months, according to information given out at the city free employment office. "There are two jobs for common ranch hands, not harvest work, paying \$105 a month, which are going begging because of no takers," declared Manager O. E. Mitchell today. "Last year \$50 a month was a good wage."

Mrs. Ruth J. Clark, general secretary of the Y. W. C. A. since September 1, has resigned and left last night for Alaska on a vacation trip, after which she will return to the East to make her home. Mrs. Clark came to Spokane from Canton, Ohio, where she was engaged in Y. W. C. A. work. The Y. W. C. A. board will meet next Tuesday to appoint her successor. Mrs. Clark's term would not have expired until September.

What an advance in the price of milk and cream may follow the raise in express rates which will result from the increased wage for express employees soon, is the belief of the majority of the larger Spokane dairy firms.

Wilson started at the university as a sophomore last fall and is coming out a senior now at the close of the summer session.

Few Tillamook Cows Have Cough

Salem, Aug. 13.—With 13,000 cattle tested and certified to be free from tuberculosis Tillamook county will, upon completion of the check by the federal department of agriculture, be the largest accredited free area in the United States, according to Dr. W. H. Lytle, state veterinarian who has just returned from a tour of that section. A check of the tests, which covers the entire county, has just been completed by E. L. Glasier, county veterinarian for Tillamook county, and must be verified by the federal department before becoming effective as a free area, Dr. Lytle states.

Cableship Colonia Ignores Orders and Quits Miami Waters

Miami, Fla., Aug. 13.—(I. N. S.)—After lying four miles off the Miami shore for five days the cableship Colonia weighed anchor some time during the night and sailed presumably for Barbados, the southern end of the proposed South American cable line of the Western Union Telegraph company.

The Colonia left these waters in violation of the orders of British Vice Consul A. H. Hubbard and of British Ambassador Geddes, who had instructed the captain of the ship to remain at anchor until permission was given to move. That permission was not given, according to Vice Consul Hubbard.

Fred McCulloch's one cornfield brought in \$4,928

What a well-known corn grower says about overalls

LAST year a single field on Fred McCulloch's Iowa farm yielded an 88-bushel-per-acre crop, totaling \$4,928. Fred McCulloch was on the job in that field himself—in overalls every working day. And the kind he wore—and always wears—is Blue Buckle Overalls.

No matter how hard the work is on Fred McCulloch's farm, he's found that Blue Buckles stand the test. And millions of other men, running farms, railroads or machines in factories, have found that Blue Buckles give them solid service on every job they do.

Find out for yourself about Blue Buckles. Test the long-wearing denim cloth, the wide double-stitched seams. Try on a pair. Feel the comfort of the big, roomy Blue Buckle pattern. Blue Buckle Overalls and Coats never bind or rip. Solid workmanship in every detail is bound to give you your money's worth.

All sizes—Men's, Youths', Children's. Ask your dealer today for Blue Buckles.
