Man Who Kicked at Ford Tire Goes to Hospital to Mend

R. G. Dudley, son-in-law of Mayor George Baker, employed in the milk division of the city health department, injured his right toe at Seventy-second street and Sandy road while kicking a tire on his Ford car. An ambulance was called and he was taken to the Good Samaritan hospital, where his injuries are said to be slight. Dudley, who lives at 611 East Ninth street, was so sensitive about his injury that it was with difficulty that the nature of his mishap could be learned.

Aberdeen, Wash., Aug. 14.—The interest of the E. K. Wood mill in the schooner Defining built in the Is Now Idle Again; Ferryman 'Strikes'

Wilsonville, Aug. 14.-The Wilsonville siened by the falure of the county court of Clackamas county to provide a raise ALL ALONG THE WATERFRONT in wages for the ferryman, E. R. Kilgallon, who has been operating it for the last year. Kilgallon started in at about \$60 a month and, finding this was insufficient for a living, asked for a raise to \$75. The court came back with a raise to \$70, but this did not satisfy and the ferryman threatened to retire at once and did shut the ferry down for a day or two last week. He was prevailed upon to resume by the county judge, who, according to Kilgallon, assured the ferryman that he would have the county commissioners take up the matter at once. This was a week ago and, hearing nothing from them Tuesday, Kilgallon announced that he was quitting that hight.

Wilsonville people say the ferry, since being taken over by the county about a year ago, has been in operation only about two-thirds of the time, having been shut down for one reason or another while, under private ownership it was in operation practically every day of the year for years previously.
