That it doesn't add to the pleasure of a stroll down the east side of Broadway on a warm afternoon to have the hot blasts from the furnace

room of a well known hotel sweep up and strike you in the face, That the same sub-basement win-dows are a satisfactory refuge of warmth on winter nights.

That the dashing young physician with offices in The Journal building was a party to an animated converwith two charming young sation women Friday afternoon.

That he became so interested that he walked away and left his tool chest on the running board of his automobile.

100 Mile That it is the same automobile that he used to keep polished so nicely before he was married.

That a friend of ours notices that the rentals of safety deposit boxes and the price of clothes pins are about the only two things in the world that haven't been advanced.

That he's lucky to have need of a safety deposit box.

That we're all more or less interested in clothes pins.

That you've probably noticed, too, that the demand for clothes pins increases as soon as there's necessity in the house for safety-pins.

That the flag on the Oregon build-

ing is flying at about three quarters mast That a new flag is needed, anyway, and it should be hoisted to the top.

That a quaint old lady on the street yesterday carried an old fashioned palm leaf fan.

That some men look uncomfortable in their new Palm beach suits.

That by the time they get used to them it will be raining. That it's always hard to think of a

good last line.

That this will do for today.

have been twice wedded and an equal number of times divorced from each other. So now the curious are wondering whether there is a possibility that they are planning a third plunge into the grand old sea of matrimony.

Home-Made Films Exhibited Today Dolores Fernandez, 390 Everett, was

arrested Friday afternoon by Inspectors Collins and Coleman, charged with sell-For some members of the Chamber of Commerce who did not see the films at the recent showing, W. E. Keefe projected at the American Lifograph studio this morning his film, "Paul's First Kiss" and "The Rising Tide," an Americanization drama. The chamber is showing much interest in the development of the motion picture mak-

ing industry in Portland. with the investigation of the possession of the merriwauna leaves. Mendez is alleged to have purchased a small quan-

tity of the leaves from Dolores Fernandez for \$1.35. It is said that he was buying the leaves for himself and the Summers brothers.

Dolores Fernandez maintained that she was entitled to the leaves because the plants grew wild near her home, close to the Union station. She showed the police where they grew.

There is apparently no law preventing her having the plants in her possession, but there is a state and federal law prohibiting their sale.

Youth Injured in Wreck When Auto Strikes Motorcycle

George Speight, 21, 342½ First street, was struck by an automobile driven by L. V. Simonsen, 1914 East Yamhill street, at the intersection of First and Mill streets, Friday afternoon. Speight was riding a motorcycle. He Was

knocked off the motorcycle and suffered a contusion of the right leg and knee. He was taken to the Emergency hospital by Simonsen.

A report of the accident stated Speight was coasting along on his motorcycle and did not see the approaching car. His condition is not serious, according to the Emergency hospital report. Neither the motorcycle nor the automobile was damaged.
