## Rainiers Win Both Games By Big Scores

SEATTLE, Aug. 16.—Seattle's baseball club is in the first division for the first time since the opening week of the season, by taking Sunday's double header from the Portland club back of the splendid pitching of Herb Brenton and Al Demaree.

Brenton held the baffled Beavers to one run, while his mates made 10 runs. Demaree shut the harried Beavers out, while his mates made seven runs. Brenton, once a Portland castoff, held the Oregonians to three hits, while Demaree allowed them but five.

Although their hold on the first division is by an eyebrow, the winning of five out of seven games from the Mackmen leaves these interesting figures:

| | Won. | Lost. | Pct. |
|---|---|---|---|
| Seattle | 65 | 67 | .492424 |
| Portland | 63 | 65 | .492187 |

**GET BIG PURSE**

As salve for their wounded feelings, the McCredies take away by far the largest check they have received anywhere on the road this season.

Seattle hopped on Polson in the first inning of the first game for a run to show Boss McCredie that they meant business as to winning this series. Middleton beat out a bunt in front of the plate, took second on Bohne's out and scored on Murphy's single to center.

The Rainiers played a pair in the third inning. Middleton was laid away when Bohne's drive took a bad hop and cracked Spranger in the chest. Sammy stole second and Murphy flied to Schaller. Then Eldred doubled to right and Bohne came in. Kenworthy singled down the third base line and Brick registered. The Duke tried to reach second, but was thrown out by Schaller, ending the inning.

**BYRON GETS "RAZZ"**

Portland got its first run in the fourth frame, in the making of which Lord Byron, the singing umpire, was decorated with the pale pink ribbon of the order of the Grand Razzberry. Blue opened with a double to left and took third on Schaller's out, Murphy to Brenton, Rodney making one grand stop of a hard hit ball.

Dick Cox hit a fly to Middleton and Blue started home. Adams received the ball as Lu was approaching the plate. Adams apparently touched Blue with both hands as he paassed, but Byron called him safe and allowed the run to count, Portland thus escaping a shutout.

Cunningham's infield hit, Stump's first sacrifice, Brenton's walk, Middleton's double and Bohne's single gave the Rainiers three runs in their half.

The locals were back with four in the sixth, but one of which was earned, Stump and Adams singled and moved up on Brenton's sacrifice. Wisterzill booted Middleton's ground ball, Stumpf scoring. Bohne beat out a hit to Blue and when the latter threw badly to Siglin, who raced in to cover the bag, Adams and Middleton scored and Bohne reached third. He came home when Murphy was out at first on a peculiar play, the ball trickling through Blue's fingers and being recovered by Siglin, who beat Murphy to first. Eldred fanned and no more were made during the remainder of the game.

**START AGAIN IN FIRST**

Right back in the first inning of the second game came the Rainiers with another flock of runs, three to be exact. Middleton beat out a hit to Spranger and Bohne followed with a three base hit between Cox and Maisel. Murphy beat out a hit to Ross and Boohne checked in. Eldred singled across second and brought Murphy home.

With one out in the second, Middleton's drive that Spranger lunged at was impeded so that it went for two bases before Maisel could recover the apple. Roxy stole third, then Bohne walked, Sam took second on a short passed ball. Then Roxy scored on Murphy's out, Siglin to Blue, Samuel moving to third, which put him in position for a fine steal of home.

Demaree himself drove in the sixth run in the third when he doubled to left, bringing Bill Stumpf home from first, where he had been located after singling to right field.

Roxy Middleton's second two bagger, a drive to left, Murphy's infield out and Spranger's boot of Kenworthy's ground ball, gave the locals their seventh run.

### Winlock Plans Ring Bouts

Winlock, Wash., Aug. 16.—The American Legion and several local sports have made tentative plans for a big smoker to be held here Labor day. They hope to stage a match between Herb Dugger, who won over Clyde Onn at Doty in six rounds last week, and Onn. Other events are planned. The local legion post is negotiating with members of the Toledo organization to participate in the affair. It is expected that this event will be one of the biggest affairs ever staged locally.

### SENATORS STAGE COMEBACK AND WIN DOUBLEHEADER

Salt Lake, Aug. 16.—Having won but one game during the series so far the Senators gave the Bees a shock and a throng of their admirers in attendance a thrill at the double-header when they took both games, 6 to 1 and 4 to 1. The visitors won the first game in the first four innings, finding Gould's offerings easy. The locals found Prough and Penner hard to find in the first and second games. Score:

## Water Polo Invasion Is "M" Club Plan

AS a result of the sensational showing made by the Multnomah Amateur Athletic club water polo players in winning the 1920 Pacific Northwest association title at Victoria, B. C., Saturday and Sunday, a campaign for funds to send a team, composed of Portland and Victoria players, to England may be launched.

This is the information brought back to the Rose City by Instructor Jack Cody and his Winged "M" athletes, who arrived in Portland Monday morning. The Vancouver Island Athletic association of Victoria entered two water polo teams in the annual swimming and diving championships of the Northwest in an effort to wrest the beautiful Buchanan trophy from the Portland clubmen.

One Victoria squad was defeated by Portland, 7 to 1, in the first game, and while this match was in progress the Crystal Pool team of Seattle was being trimmed by a Victoria septet, 7 to 0. The two winners then met in the deciding fracas Saturday afternoon, but at the conclusion of play the count stood 4 goals to 4.

It was necessary to stage the play-off on Sunday and, much to the surprise of the northerners, the Portland boys triumphed, 4 to 1. They were the best played and most exciting games ever played in British Columbia, it is said.

The Victoria club is desirous of combining the Victoria first team and the Multnomah squad and make a tour of England. It is said that funds are readily available for such a purpose in Victoria, and the proposition of securing proceeds will be placed before the board of directors of the Multnomah Amateur Athletic club, probably at the semi-weekly meeting scheduled for Monday evening.

The water polo players who are responsible for winning the permanent possession of the Buchanan three-year trophy are Captain Raymond, "Bus" Douglas, Phil Patterson, O. J. Hosford, Myron Wilsey, Locke "Brownie" Webster, Ted Alonen, Ed Olsen and Eddie Humphrey.

### Bronson to Battle Harper

Muff Bronson, local lightweight, has been matched to battle Bobby Harper of Seattle in a four-round contest Wednesday night before the Austin and Salt club. Bronson will finish his training in Seattle today.

### LOS ANGELES WINS DOUBLE HEADER OFF SAN FRANCISCO

San Francisco, Aug. 16.—Los Angeles won two games from San Francisco today by the scores of 3 to 1 and 4 to 3. The morning game was won in the fifth inning when 3 hits netted 2 runs for the visitors. Lewis, pitching the afternoon game for the Seals, had two bad innings, the fourth and seventh. In these innings, the Angels gathered enough runs to stow away the game. Scores:

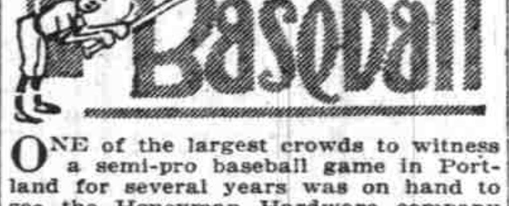
### Cleveland Lays Its Plan for '20 World's Series

**Cleveland, Ohio, Aug. 16.—(U. P.)—Mail applications for world series seats will be received by the Cleveland American league baseball team, starting today, officials of the club announced. They said the pressure for reservations was too strong to be resisted further.**

**No cash or checks will be accepted with the applications. Due to the comparatively small size of the park, officials decided to limit each applicant to two tickets.**

## Baseball



ONE of the largest crowds to witness a semi-pro baseball game in Portland for several years was on hand to see the Honeyman Hardware company team win a sensational pitchers' battle from the Sherwood aggregation, 2 to 1, on the Vaughn street grounds Sunday. The Hardwaremen went to the top of the inter-city league of the Portland Baseball association as a result of the win. "Soldier" Myers allowed the Portlanders only two hits and both came in the seventh, one of them a triple by Louis Gallo. Sherwood made two doubles in the ninth and scored once. The score:

| | R. | H. | E. |
|---|---|---|---|
| Sherwood | 1 | 9 | 0 |
| Honeyman | 2 | 2 | 2 |

Batteries—Myers and Kracke; Quisenberry and Helmke.

Hillsboro, Or., Aug. 16.—Captain Porter Yett's home run in the fifth inning was not enough to stave off a 6 to 5 defeat for Kirkpatrick All-Stars of Portland at the hands of the locals yesterday. It was an inter-city league game. Hillsboro and Kirkpatricks tied for fifth place. The score:

| | R. | H. | E. |
|---|---|---|---|
| Hillsboro | 6 | 12 | 3 |
| Kirkpatricks | 5 | 8 | 4 |

Batteries—Brown and Cota; M. Boland and Stewart.

Astoria, Aug. 16.—One lone hit was all the Portland Iron Works representatives of the Intercity league of the P. B. A. could make off the delivery of Pitcher Burns of the Astoria Centennials at Seaside yesterday. The locals shut out the visitors, 8 to 0. Score:

| | R. | H. | E. |
|---|---|---|---|
| Centennials | 8 | 12 | 2 |
| Iron Workers | 0 | 1 | 4 |

Batteries—Burns and Cook; Neuenschwander and Murphy.

Olds, Wortman & King went into the leadership of Class A league of the P. B. A. Sunday by defeating Oswego, 4 to 3, in the second game of a double header on Vaughn street grounds Sunday. Some classy fielding featured the matinee. The score:

| | R. | H. | E. |
|---|---|---|---|
| Olds & King | 4 | 14 | 2 |
| Oswego | 3 | 11 | 1 |

Batteries—Thompson and Hemenway; Anderson, Walgrave and Headwick.

"Lefty Carl Mays" Schwartz didn't get a chance to turn in a victory Sunday as Eddie Huesing worked for the Cendors against the Multnomah Guard. The Cendors lost, however, 12 to 4. The score:

| | R. | H. | E. |
|---|---|---|---|
| Cendors | 4 | 7 | 3 |
| Multnomah Guard | 12 | 17 | 3 |

Batteries—Huessing and Bell; Anderson and Dannells.

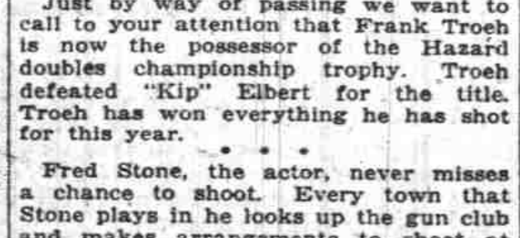
Five runs in the ninth inning made it possible for the Hesse-Martin Iron Works to defeat the Streetcarmen's local, 10 to 5. Henry Peitzger, Oregon Aggie athlete, started the twirling for the carmen. The score:

| | R. | H. | E. |
|---|---|---|---|
| Hesse-Martin | 10 | 10 | 2 |
| Carmen | 5 | 10 | 7 |

Batteries—Drake, Deardorff and Moore; Peitzger, Bergstrom and Wilson.

Losing but six games out of 21 starts and each by a one-run margin is the record of the Hesse-Martin team which is battling with the Arleta "WOWS" and the Crown-Willamette Paper Mills team for the championship of the Class AA of the P. B. A. The team averages .332 in batting and Manager Lowry is claiming the honor of having the heaviest hitting aggregation in semi-pro circles in Oregon. The Iron workers have scored 147 runs to their opponents' 59 and made 301 hits to the opposition's 113. Al Jones, the lanky first baseman, has a fielding average of 1.000 for 165 chances and he leads the regulars with the stick with a mark of .391. "Cherub" Lowry is out on the coaching line every game, say reports, and he hasn't missed a meeting of the P. B. A. as yet.

## Trapshooting



It costs money to indulge in trapshooting. One of the shooters in the Olympic Athletic club tournament in San Francisco figured out the cost of the tournament and was surprised. Ninety shooters participated in the four days' shooting. They shot at 90,000 targets at 3 cents each, and fired 90,000 shells at 5 cents each, while the other charges cost the club about 10 cents a shot—which means that the tournament cost about $9000. When the Grand American with some 900 entries gets going you can take a sharp pencil and get a lot of good big figures. More money is spent on the Grand American handicap than any other sporting event in the world, including the world's baseball series.

Just by way of passing we want to call to your attention that Frank Troeh is now the possessor of the Hazard doubles championship trophy. Troeh defeated "Kip" Elbert for the title. Troeh has won everything he has shot for this year.

* * *

Fred Stone, the actor, never misses a chance to shoot. Every town that Stone plays in he looks up the gun club and makes arrangements to shoot at the clays. Stone would be one of the best shots in the world with the same attention to shooting as he gives to the stage.

## Borton May Force Mates Into Court

LOS ANGELES, Aug. 16.—(I. N. S.)—The sensational charges of "Babe" Borton, former member of the Vernon Coast league club, that certain players of other teams were paid to help Vernon win last season's pennant, were reiterated in an affidavit made public today. The affidavit, he asserts, does not cover all the evidence he has in his possession. He declared he is ready to face any or all of the Vernon players and Manager William Essick in court or before a baseball tribunal. Borton declared he did not intend to let the matter drop with a flat denial by the men he accuses. He is desirous of an investigation by a commission composed of unbiased citizens to be selected by William McCarthy, president of the Coast league.

"The members of the Vernon club will go just so far in their statements about me and the league will place the blame for one too many things on me, and then I will take the case into court and demand a showdown, which it doesn't appear I will get in any other way," Borton said.

**MANY ARE WHITEWASHED**

"This is not a closed incident with me. I think the finish will find a great many other players who are now being kindly whitewashed by the Coast league, sitting right where I am—out of baseball for all time."

A number of Vernon players who were charged by Borton with being implicated with him last season in buying off members of opposing clubs issued statements today vehemently denying their former teammate's accusations.

**VERNON PLAYERS MAKE STRONG DENIAL OF CHARGES**

Los Angeles, Aug. 16.—(U. P.)—Blanket denials of Babe Borton's charges that the Vernon team "bought the Pacific Coast league pennant last year by bribes paid to players on other teams" have been issued by Manager William Essick and Vernon players, who characterized Borton's affidavit as "a mass of lies."

Borton charged that Robert Fisher, second baseman of the Vernon club, "took care of" Del Baker, Red Oldham, Jack Farmer, Ed Mulligan and Art Koehler with money contributed by the Vernon team. Borton paid Dale, Rumler and Maggert, he said.

"Borton's charges are a mass of lies," said Manager Essick. "He is trying to drag baseball and the Vernon team down with him."

Fisher denied ever having received or paid "one cent that my contract did not call for."

Other Vernon players denied having entered into an agreement with Essick, Fisher and Borton to buy the pennant during the last series with Salt Lake.

Essick points to the percentage column as one indication of the untruthfulness of Borton's charges.

"When we began the two weeks' series with Salt Lake, we were tied with Los Angeles at .600. At the end of the series Los Angeles had .618, while we were 2½ games behind with .603," Essick said.

## England to Withdraw From Games — Failure to Support Is the Cause

By Forbes W. Fairbairn

LONDON, Aug. 16. — The Olympic council has served notice that this will be the last Olympiad in which Great Britain will participate unless indifferent public opinion here undergoes a complete reversal.

This bombshell was exploded by Theodore Cook, editor of "Field," and a colleague of Lord Desborough, for 30 years on the British council.

"The movement has become, in its later phases, entirely alien to English thought and character," said Sir Theodore.

"Before any result of the present games are known, before the name of the country holding the next games is published, we should openly inform the international Olympic council that the United Kingdom will not be competing in 1924, or any subsequent occasion in the official Olympic cycle, while the present state of British opinion continues.

"However right, however ideal a movement may be, it is futile to force it upon a nation not wanting it.

"The world, and especially the Olympian councillors at Antwerp, desires to know our determination. It is a farewell to the movement as now conducted by the international committee."

Sir Theodore declared that all Olympic trophies presented by England would remain for competition in the games forever, as a memorial of the British council to the "comradeship which our foreign friends in every country so generously and hospitably gave us."

The decision of the British council was reached following the failure of the campaign headed by the king to raise funds to adequately maintain the British competitors at Antwerp.

### MAJOR LEAGUE SPURT FOR FLAG

By L. R. Blanchard

CHICAGO, Aug. 16.—(U. P.)—"Hippodroming" has a nasty sound when used in connection with baseball. But no other word seemed today to fit in better with the races in the major leagues.

The ancient Roman with his box seat at the circus saw nothing more thrilling in the way of chariot races than B. B. Phann views from his bleacher seat.

In each league there have been spurts, dangerous encounters at the turns and scorching sprints down the stretches.

Today Cleveland and the New York Yanks were disentangled from their hub-locking mixup, and there was a clear space between them—the Indians leading. The Yanks were whipped yesterday, 6 to 4, in Washington's first win in 10 starts. Cleveland, to show her nerve, pitched a rookie against the Browns and won, 5 to 0. The Chicago White Sox, now in second place in the American league, won easily from Detroit and rested today, traveling toward Philadelphia.

Cleveland and New York, playing today at New York, promised to start one of the liveliest musses of the year. First place was at stake with the White Sox bound to better their position while loafing.

### CHEHALIS CLUB SEEKS '21 TRAP CHAMPIONSHIP

## Chicago Cubs Mystery Team Of Nationals

### Individual Talent Only Able to Win in Spurts; Hollocher's Illness Hurts.

CHICAGO, Aug. 14. — (I. N. S.) — The Cubs are the mystery of the National league. Led by a smart manager, backed by a wealthy owner and possessing individual talent of a high degree, they are floundering in fifth place. They have lost more games than they have won. In fact, they have been hovering around the .500 mark all season.

There are times when the latent strength in the Cubs is developed into brief winning streaks. But they are only winning sprints. The Cubs lose in streaks, too.

One would think that any team rallying behind such pitchers as Vaughn, Alexander, Tyler and Hendrix could win more than half its games, but there are the Cubs with 51 won and 52 lost.

Charley Herzog and Dave Robertson, ex-Giants, are appearing in the Cub line-up daily, but Fred Merkle has been replaced at first base by Turner Barber, who is an outfielder. The Cubs apparently suffer from lack of a punch. They have no heavy "clean-up" hitters.

A month ago it appeared that the Cubs might get together and stage a drive such as the Giants are putting on. Their case is now regarded as almost hopeless. They are just a ball team in the National league. This is one club in which there will be sweeping changes before another season rolls around.

Hollocher's illness hurt the Cubs. The Cub shortstop recently underwent an operation for appendicitis. Take a shortstop like him out of a team just starting a drive for the top and you wreck the whole team. But Mitchell is resourceful and the men haven't given up hope yet. Maybe we'll be up there when the test comes.

In a recent tournament of the Bergen Beach (L. I.) club, Miss Nan Smith, the first time before a traps and on a day in which the best shots found the going difficult, broke 68 targets in 100. This is one of the best performances we have heard of in many days.

Pass this all along the line

Thursday P.M.

Dear Pete:

Just blew into Pittsburg to close that N and P purchase. While I was waiting for the contract to be signed who ambles in to the G.M's office but President Holt! Asked me if I had a cigarette. Slipped him my "Camel Garage". Remember, he hit the "straight" boys when I met him last year?

Pete, you ought to hear Mr. Holt talk Camels! Gee, I thought I was some Camel speiler. But he went right to the mat with the subject. Say, if I could have shorthanded that line of super-stuff I'd have the job writing Camel ads by noon today!

"Reynolds ought to get a dollar for every Camel Cigarette," Mr. Holt declared. "Why, my boy, Camels are simply wonderful," he added. "Don't ever let anybody talk about mild cigarettes compared with Camels! I Know! (Get that, Pete). I've proved it to a hundred smokers that Camels are the mellowest and most refreshing cigarette in the world." Etc. Etc.

Pete, Camels won Mr. Holt like they won me—on their quality! After hearing him cut loose, I felt like saying: "you tell it, old parcel post, I can't express it!

Pete, I'm hatching an idea about Camels. I'll spill it your direction next time I write! It's what York State folks call a "pip-ing!" And it's ripe!

Yours till the next fire-up.

Shorty.
