## Great Fahey-Brockman Fall Announcement

**N**EVER in all our history have we been able to show the extraordinary values we will display this Fall. Thousands of suits, raincoats and overcoats in all the newest patterns and latest approved 1920 Fall styles and fabrics crowd our three great stores, affording the male population of the Northwest the greatest clothes value opportunity ever presented.

Had it not been for the enormous buying power of our three great upstairs stores, we could not have gathered together such a wide range of Fall suits, raincoats and overcoats for your choice.

### There Will Be No Rise in Fahey-Brockman Prices This Fall

**We Have No "Cut-Price Sale Losses" to Make Up at Your Expense**

Another exceptional feature of our 1920 Fall Announcement is that, no matter who else may raise their prices, Fahey-Brockman will not.

By refusing to be stamped out of our permanent rock-bottom price policy into a so-called "Cut-Price Sale," we are now in the unique position of being able to sell the highest quality in men's Fall suits, raincoats and overcoats, while still keeping our prices at \$20 to \$50.

### Entire Fall Merchandise Brand New

Next to the price announcement comes the freshness and quality of the merchandise. Owing chiefly to our rapid turn-over and great buying power, our entire Fall stock of suits, raincoats and overcoats is brand new. Every garment bearing our label is guaranteed to give complete satisfaction in style, fit and quality. Behind every one stands a great manufacturer's reputation and our own *money-back guarantee*.

### Yours Is Here

Come and see what the largest men's clothiers in the Northwest have for you this Fall. It matters not what size or age you may be or what business or profession you may be in. Among the thousands of beautiful Fall suits, raincoats and overcoats gathered together for your convenience at our three centrally-located great stores, yours is here.

### Buy Upstairs and Save \$10

By doing business upstairs, we cut the cost away down. We reduce rent far below that paid by the street-level merchant. We have no fancy fixtures, idle clerks, credit losses or false-front appearances that we make you pay for every time you buy a suit of clothes. We prefer to be plain and simple, selling honest merchandise in an honest way.

We buy and sell in such large quantities that we are able to sell clothes at prices that are guaranteed to save at least \$10 on every suit, raincoat or overcoat we carry. Furthermore, we buy and sell only the best. That's why we say:

**Suits—Raincoats—Overcoats
