IT'S SERVICE AND QUALITY
THAT COUNT

In your choice of plumbing or heating fixtures, hear in mind that you're selecting something that must give lasting service in order to give satisfaction. That requires that they must be "quality" wares. Goods that fall to satisfy this demand are not cheap at any price. If your house is still equipped with an tiquated, obsolete fixtures and applications.

Mill Made Sectional Home-Model No. 606 The exterior appearance of this home can be altered by substituting

Plan A Size 24x32 Feet

Plan B Size 20x28 Feet

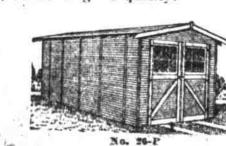

This home is one of our numerous sectional designs. We do not offer to the prospective purchaser a large assortment of stereotyped designs that are similar, preferring to carry in stocck new artistic designs as they are created, with the intention of making every house in a class of its own.
Every man has a picture of the house he desires stored away in his mind. That is the house we want to create for YOU. We know beyond any doub
