# Semi-Annual Housewares Sale

Attention! HOUSEWIVES! APARTMENT, HOTEL AND ROOMING-HOUSE MANAGERS! ANNUAL SALE BEGINS TOMORROW!

## Thousands of Turkish Towels

Famous "MARTEX" Brand Manufacturers' Seconds

The name "Martex" designates the best Turkish towels made and the towels in this sale are all Martex. These are called seconds, but are equal to most firsts, as Martex towels are very closely graded. Imperfections, where such exist, are in most cases nothing worse than a drawn thread, a little grease spot or the like—nothing to hurt the service qualities.

Sale Prices 40c to \$2

Besides these prices there are lots at 50c, 65c, 75c, \$1, \$1.25, \$1.50. We secured this great lot direct from the Martex factory—We share our savings with our patrons. All the towels are this year's goods and styles.

Plain white and border effects—many styles and sizes. Some have place for monograms or initials, which suggests the opportunities in this sale for gift selections. Two large squares and two tables on the Center Aisle, Second Floor, will be filled with the towels.

1/4 TO 1/3 OFF

Another Convincing Proof of MEIER & FRANK'S Policy of GIVING PORTLAND LOWER PRICES

This Meier & Frank Semi-Annual Sale of Housewares is made up exclusively of the best and safest wares. There are no better housewares made for quality and service. And the savings are real as a comparison of the special sale prices with our regularly fair prices will show. Thousands of articles of everyday utility are included, not all of which it is possible to list here.

This four-days sale gives opportunities that no prudent housekeeper will overlook for the supplying of fall and winter houseware needs. We have good quantities of most items to begin the sale but, anticipating a keen demand, counsel buying as early as possible. Plenty of competent salespeople will be in attendance throughout the sale.

Ask Any Housewife

HOW SHE LIKES HER

## Universal Combination Range

Listen to her enthusiastic praise of its compact size, its graceful lines, its beautiful blue, gray or nickel finish which needs only to be wiped off to keep spotlessly clean. She will tell you of the convenience of burning gas, coal or wood whenever she prefers and indeed she will say that she can burn her coal fire on one side of the range and quickly heat her oven with gas if she likes.

Universal Combination ranges are very cleverly designed to give the maximum amount of service at a minimum of fuel expense. They keep the kitchen as warm as you like in winter or as cool as you like in summer.
