New Fall Modes and Models for Women and Misses

THIS is merely a synopsis of our Fall Fashions for Women and Misses. It would take at least one full page of text to treat even briefly the bewildering scope and variety of our Fall Models.

—Every new fabric and every new interpretation of style are charmingly presented. These vivacious touches which appeal to the college girl are to be found as well as the softer, quieter modes which women of distinctive dress prefer.

—This, then, is meant to be more of a reminder that we carry all that is newest and most desirable in smart attire, in assortments so large, and so entirely dependable, at prices so reasonable, that a woman or miss will find exactly that which she desires within her reach.

**Veils**

—An accessory of great importance. The costume becomes artistic and beautiful when a veil contributes to its finishing touch.

65c to \$12.50

**Gloves**

Autumn Suits Revel in Elegance of Materials

—Smartness of line and beauty of finish; lavishly embroidered and trimmed with luxurious fur, and modishly fashioned. Some in strictly tailored effects—others delightfully piquant with chic little ripples, or so smartly elegant in three-piece style.

Coats and Wraps Are Distinctively Individual

—And are being chosen with thought as to quality of material, fur and cut of line. The most luxurious furs enhance both afternoon and evening wraps. Styles are loose, wrappy effects, or cleverly cut along snug lines, with large capes of fur, or shawl collars—some trimmed with wide bands of fur at the bottom; there are plain models, too, with collars of self-material.

\$64.50 to \$500.00

Evening Frocks for Women Are Insistently Lace Embellished

—Lace and charmeuse, lace and kitten's ear satin, lace and panne velvet, or lace and georgette, strike the dominant note in lovely dinner or evening gowns. Beaded frocks, or frocks gleaming with sequins, beautiful in coloring, are expressed in a wealth of fascinating variety.

\$69.00 to \$185.00

And for Afternoon and Day-Time Wear

—Frocks are as captivating and chic as the best designers can make them. They are mostly of tricotines and serges, embroidered and beaded, and adorned with pert sashes and hand-touches consistently vivacious.
