

### INCREASE SOUGHT OF TWO CENTS IN ASTORIA CARFARE

Salem, Oct. 7.—Application for an increase in street car fares at Astoria from 5 cents to 7 cents, was filed with the public service commission Thursday by the Pacific Power & Light company. The proposed increase also includes 50-ride books, on which the rate is now \$2.25 and which it is desired to increase to \$3.45, and students' tickets, which it is proposed to increase from \$1.25 to \$2 for 40 rides.

An attempt was made by the company to put the new rates into effect by filing a new tariff with the commission early in September, the utility contending that this action was sufficient to institute a new rate. In an opinion based on this action, Attorney General Brown held that before the new rate could become effective a formal hearing must be held by the public service commission at which the utility should make a showing as to a justification for the increase. The company asks that this new tariff be regarded as an application for an increase and that the case be given the priority on the commission docket as of September 1.

Another application filed by the Pacific Power & Light company asks for an increase in gas rates at Astoria on account of added expenses due partly to the construction of a new plant and to the effect that their fuel oil contract will expire in the near future, necessitating increased expenses in this direction.

### Grade Teachers Fix \$1400 as Minimum, \$2300 as Maximum

The Portland Grade Teachers' association, at its meeting Wednesday, favored a minimum salary of \$1400 and a maximum of \$2300 for all grade teachers. The present minimum is \$1200.

Expression of the grade teachers was the result of the recent suggestion by the school board that the teachers work out their own salary schedule and submit it to the board. The Federated Teachers' council, to which the matter was at first referred, blew up when the principals withdrew because they were represented by two members only. The council was largely dominated by grade teachers. The principals have likewise made their own salary recommendations.

The school board meets this afternoon. The school budget must be made up by November 1.

**Hospital Association Sued**  
Henry Cerrano has filed suit for \$10,500 against the National Hospital association for alleged refusal of adequate treatment for himself, which he says his payments to the association entitled him. He alleges that Dr. Applewhite and Keiser, acting for the association, gave such treatment that he had to go to another physician.

### Roseway Planting Ceremony Will Be Featured on Friday

The first of 15,000 rose bushes which are to decorate the new Roseway will be planted Friday afternoon at special exercises at East Fifty-sixth street and Sandy boulevard. Various civic organizations have been invited to attend by the committee from the Portland Ad club, which has arranged this program: Concert, Washington high school band; community sing, led by Walter Jenkins; planting the first rose for the "Roseway" Mayor George L. Baker, assisted by Miss Elizabeth Hilton, representing the Ad club; address, Mayor Baker; planting of the first units of the 15,000 rose slips by the city and county commissioners and other dignitaries, assisted by young women representing the several civic and business clubs; address, Dr. E. H. Pence.
