AT THE COVEY MOTOR CAB COMPANY

Did it ever occur to you that the amount of business done monthly or yearly by a used call dealer might serve as a key to the truthful solu-tion of the questions you have no doubt asked yourself many times.

"Where shall I buy my car?"
"How shall I find a dependable dealer?"
"Who is it that will honestly attend to the cessary rebuilding and refinishing of such care a they offer for sale?"

A great volume of used car business, kind conden redistances. reader, radiates not only the answer to such questions, but the added information. That years of con cientious, honest effort have That years of con cientious, honest effort more en necessary to build up such a volume. That there surely exists a high ideal of the possibilities of car salvage.

That a great determination undoubtedly stimu-lates such action as is necessary to produce re-built and refinished motor cars so successfully as to obtain this great volume of business.

popular new cars dumand that we not only main-tain a great volume of used car business, but that we continuously increase it. One cannon jump into it today and out tomorrow. DODGE BROTHERS MOTOR CARS

Prices on new Cadillac motor cars have d-These on new Cacillac motor cars have Granded only in proportion to the generally ad-knowledged improvement in the car.

There has been no such thing as excess profit, the great determination to perfect their product had absorbed each advance long before it was The public is well aware of the fact that price

CADILLACS

reductions on the part of certain manufacturers are being made solely with a view of influencing quick deliveries to take care of over production and inflated prices rather than because of lower cost of production. In buying one of these makes, new or used, you will never actually know when you have received your money's worth. While on the other land, no such doubt is ever raised regarding the value of a Cadillac.

Our present stock of used Cadillacs represent the greatest actual motor car value on automobile market today.
