The Fur Sale Continues

AS IT PROGRESSES it grows more popular. Customers have a fine opportunity this week to compare prices and qualities—and we have benefited by it!

—Customers have returned here after shopping around convinced that here they could spend their money to best advantage.

—We have profited by the attitude we have taken—that of not mentioning the regular prices of those pieces which were reduced, but allowing the customer to see just how great the reductions are by noting both regular and sale price tags.

—We know we have made a lot of friends through this sale and have further cemented our friendship with our regular patrons.
