## Men's and Young Men's Suits Special at \$49.75

We say they are "special" when others with not nearly so much reason would say they are "slaughtered" but butchery is not a pleasant conceit at any time and so we say the price is special when it represents a saving of \$15.25 up to \$25.25 on suits that are standard in quality, correct in style and thoroughly sound in workmanship.

Suits from Adler Rochester, Louis Holtz and other celebrated makers of suits for young men and men who stay young—the sorts that can be had here only—at Style Headquarters—in Portland.

Finely serviceable fabrics. Single and double breasted models in styles for men and young men. Sizes 34 to 46, including some stubs and stouts as well as regulars, but not all sizes in every kind.

## Sale of Men's Ties at \$1.65

Reaches High Water Mark

We consider this tie sale a big part of our men's news for Saturday because of its exceptional character and the fact that immediate advantage should be taken of it. Certainly the opportunity to get ties at \$1.65 each (3 for \$4.75) like these that were priced at \$2.50, \$3, \$3.50, \$4 and \$4.50 is exceptional. It is regrettable that after tomorrow's selling we shall not have sufficient quantity for us to advertise these ties again.

Switzerland, Italy, France and England have sent their scarfing silks to be made into these ties by leading American manufacturers, who have also utilized American silks to excellent advantage. There is still ample selection for the men or women buying for men who wish to share in this sale tomorrow. Large and medium shape four-in-hands with slip-easy band and first-class workmanship throughout.

## Hats for Many Heads

Hats for many purses, too. Here are two lots that illustrate our versatility in both these respects.

Special at **\$3.95**

Special at **\$7.45**

Hats that gauged by the current prices for like qualities elsewhere are worth at least \$10. Genuine fur felt hats in new shades of chamois, tan, gray, cedar, also other colors and black. Most of these hats are silk-lined and all are distinctly of the better sorts. Wide and narrow bands. Sizes 6 3/4 to 7 3/4.
