

Municipal Paving Plant Cuts Bids on Suburban Jobs, Claims City Commissioner

\$147,207 SPENT FOR PAVEMENTS SINCE JANUARY 1

Paving improvements in various suburban districts of the city have cost, since January 1, a total of \$147,207.4, according to figures made public Friday by Commissioner A. L. Barbur of the department of public utilities.

Not the least interesting part of the information as made public is the comparison of sums which show that the municipal paving plant has saved the city \$50,825.20.

Bids on the various paving projects made by private contractors totaled \$198,032.24, according to the figures of Commissioner Barbur, while the municipal paving plant bid on such projects was \$147,207.4. The plant, however, under its own bid in actual construction \$13,282.98, which brings the total saving to more than \$50,000.

It was predicted today that by the close of the year the work yet to be done will increase the saving to nearly \$95,000, Commissioner Barbur pointing out that this is a return by the municipal plant of nearly 100 per cent on investment during the first year of its operation.

The basis of figures is made on the following table:

Contractor's Bid	Paving Plant Bid	Paving Plant Cost
East 19th street	Hawthorne to Sandy	\$ 29,905.47
East 20th street	East 13th to East 17th	13,370.42
East 21st street	Alder to Stark	4,873.80
East 22nd street	Marion to Spokane	18,747.14
East 23rd street	Alamoth to Holman	7,597.72
East 24th street	East 13th to East 15th	1,084.50
East 25th street	East 13th to East 15th	2,080.00
East 26th street	East 13th to East 15th	3,405.28
East 27th street	East 13th to East 15th	14,028.93
East 28th street	East 13th to East 15th	19,209.87
East 29th street	East 13th to East 15th	4,013.90
East 30th street	East 13th to East 15th	11,287.83
East 31st street	East 13th to East 15th	5,138.00
East 32nd street	East 13th to East 15th	7,013.00
East 33rd street	East 13th to East 15th	5,427.33
East 34th street	East 13th to East 15th	1,876.11
Total		\$198,032.24

ALBINA

No spectators are allowed on the Jefferson high school grounds while the football team is having signal practice each evening.

The Overlook football team would like to arrange games with teams of 125 pounds. Any team wishing a game please call Charles Bellmer, at Woodlawn 4365.

Mrs. Carl G. Anderson of North Albina is expected to return from the East this week.

The Spectrum, the official paper of Jefferson high school, made its first appearance this term in the past week. It was received by the school by all students. This paper has a monthly subscription of \$5.00.

The Misses Helen and Maurina McNicholas have returned from an extended trip in the East, where they visited relatives and friends in Chicago, also Montana, Omaha and Seattle.

The committee chairman of the Pillgrim Christian Endeavor met Tuesday night at the home of the president, Joseph Ogden. Extensive work was planned for the year. A social will be given soon.

The January '21 class of Jefferson high school will give a "course" in the high school gymnasium Thursday after school.

J. W. Fording, 270 Going street, is putting an addition to the back of his house and is building a garage.

A few employees of the Pacific Telephone and Telegraph company conferred the Master Mason degree to one of their fellow workers Saturday evening at Mount Hood lodge, which meets in Russell street. Refreshments were served.

FAIRVIEW

The county fair at Gresham gave the boys of Fairview several honors and the girls are going to come in next year by preparing for exhibits well in advance.

City Veterinarian Dr. E. G. Gresham with his white Leghorn pullets and cockerels. Julius Luscher won two prizes on his yearling calf, first prize in club work and third prize in open class. John Fleming was first and Charlie Gresley second on fattest pig. Gilbert Wagner won second prize on his Duroc Jersey boar.

Leslie St. Clair Jr. was decided to be the prettiest baby under one year. His fine head of hair brought him a second ribbon.

Mrs. O. F. Cady, a member of the Portland Tennis club, Tuesday attended the first meeting of the season at the home of Mrs. Richard Elmer Gehr in Rose City Park, where Alfred D. Cridge spoke before a number of members and guests on the "Effective Ballot."

Mrs. Vern Jackson and baby son, Clifford, of Comden, were guests last week at the home of George Shaw and wife.

R. O. Williams and wife of Fairview will soon move to Portland to reside. Neighbors and friends will regret their departure and hope for their future good fortune in their new home.

A library station has been established in the O. F. Cady store. Interest in the library extension has been renewed and many new applicants are drawing out books.

MULTNOMAH STATION

The real estate agents are busy week days and Sundays showing improved and unimproved property to visitors and home-seekers. Ned Burke has several fine properties in process of transfer. Edwin Gale has listed some fine properties and sites for homes which he

PARKROSE ADDS TO CLUBHOUSE FUND

The fire in the home of O. P. Lents on Fremont street last Wednesday caused \$100 damage.

Electric poles for light and power service are being placed on Richardson and Clarno roads by the Portland Railway, Light & Power company.

The Jazz-Jinks Saturday night held in the open air at the end of the canal was an immense success, and netted over \$20. The money will go towards the new clubhouse building project.

A moving picture show at the Presbyterian church Tuesday evening, under the auspices of the Parkrose Men's club, was largely attended by the people of Parkrose. The proceeds will go towards the building fund of the clubhouse.

An entertainment and dance is shortly to be given by the Parkrose high school students, the proceeds to be devoted to starting the proposed monthly bulletin and paper.

L. Beauzy and wife have a new baby girl at their home on Shaver street. L. Kidd and wife are receiving congratulations of a baby girl.

Mrs. G. Gregory is very ill in a Portland hospital.

W. E. Conklin has added a dozen thoroughbred White Leghorn chickens to his well known chicken farm on Shaver street, and expects to make a specialty of them and to shortly extend his operations until he becomes one of the leading chicken producers of the county.

Mrs. A. Schatz entertained a party of friends at her home Wednesday evening.

W. H. Holderness of San Diego and his wife are visiting their daughter.

REEDSPORT CITIZENS GREET CHAMBERLAIN

Reedsport, Or., Oct. 16.—United States Senator Chamberlain visited the Republic Chamber of Reedsport and was enthusiastically received.

A visit to the industrial plants and jetties was a revelation of the wonderful development accomplished in a few years. The senator agreed that the port was entitled to recognition of the government in the development of the harbor.

Chehala, Wash., Oct. 16.—Registration for Elma is \$22, a gain of 154 since the books were reopened after the primary election.

Elma Registration Grows

MAYOR IS OPPOSED TO CONSOLIDATION OF TWO DISTRICTS

R. R. Morrill, mayor of Fairview and one of the directors of the school district, has given expression to the views of those opposed to the entry of the Fairview grade school district into the Union high school district, whose school is at Gresham. He says:

"For some time past we have been able to say to our pupils who are leaving our grade school, 'You may go to any high school in the state of Oregon (including union high No. 2, and also including such vocational schools as the Benson Polytechnic, the Girls' Polytechnic and the High School of Commerce) and your tuition will be absolutely free. Furthermore, your transportation will be equally free to any of these schools, the only provision being that the school must be in Multnomah county to claim free transportation.' The new car schedule makes it possible for our children to leave Fairview at 7:50 a. m. and reach Portland schools on time. It is surprising that many of our citizens desire to retain these exceptional educational facilities."

"All these benefits cost the taxpayers of this district only 1.4 mills for county high school tuition fund and 1.25 mills for transportation, a total of 2.65 mills for all our educational advantages above the eighth grade. Now if we are joined to union high No. 2, here is the situation and the expense: Our children would be excluded from all other high schools in the state, including the aforesaid vocational schools, unless tuition is paid by the pupil. Last year the tuition at Benson was \$135 and at the other high schools about \$100. The free transportation would automatically cease so far as all schools except union high are concerned. As for the cost, union high's levy last year was 7.5 mills. Even with Fairview in, could it be lowered when salaries and other expenses are higher? Has the policy been to lower the millage when new territory has been annexed? We know it has not."

Isn't it evident from the foregoing that consolidation would double and almost treble our tax levy and at the same time deprive our children of many privileges which are now theirs? We would be permanently tied to union

BOY'S ARM IS BROKEN TWICE IN ONE PLACE

Dallas, Oct. 16.—Ernest Anderson, young son of N. A. Anderson of this city, suffered a fracture of his right arm Thursday. The lad fell about a month ago and the same arm was broken in the same place. He had just taken the lead membership from the polis when the second accident occurred.

DAYTON CITIZEN DIES

Dayton, Or., Oct. 16.—Louis Wambagan died Wednesday at the age of 79 years. He had been a citizen of Yamhill county since 1893. He is survived by a son, Harry Wambagan, of Alberta, Canada, and two daughters, Mrs. Hibbert of Dayton and Mrs. Lumm of Portland.

NO CHANGES IN VOTING PRECINCTS ARE TO BE MADE

Although several districts in Multnomah county have been asking for a rearrangement of voting precincts, so as to make them more accessible, there will be no changes for the forthcoming general election. It is expected, however, that a rearrangement will follow, so that at elections to be held later voters in certain districts will not have to travel long or roundabout distances in order to reach the polls.

The latest change, which was made before the last primary election, was the division of Ryan Place precinct, half of this territory being taken to form the Multnomah station precinct, officially known as No. 322½. At the primary election the voting place was located in Kemp's drug store. The location of the polls for this precinct will be determined by Deputy Sheriff Pratt during the next few days.

A demand has been made for the creation of a new voting place in the Alberta district just outside the city limits. This would require a division of the Parkrose precinct, which later may be effected. It would obviate the necessity of voters having to make a long trip down town and then back in the same general direction in order to reach the voting place by streetcars.

Within a few days the rooms to be used for polling places in all of the precincts of Multnomah county will be definitely determined, so that the printed lists may be prepared and posted.

Of more than 1,900,000 bales of cotton consumed by Japan in the year ending with July about one third were imported from the United States.
