

CROIX DE GUERRE AWARDED 147TH FIELD ARTILLERY

Salem, Oct. 31.—Oregon's oldest and youngest military organizations are included in the award of the French Croix de Guerre to the 147th field artillery, information of which was received by Adjutant General White, Wednesday.

The 147th field artillery, a part of the famous Thirty-second division, was composed of Battery A of Portland and Battery B, composed of Portland, The Dalles and Salem men, and six other batteries recruited in Wyoming, North Dakota and South Dakota.

The award is made for participation by the field artillery in the second battle of the Marne and in the Argonne campaign. It is expected that many members of the two Oregon units will attend the meeting of the Thirty-second division society in Detroit next summer, at which the colors of the organization will be decorated with the French award.

Extradition papers issued by Governor Burnquist of Minnesota, asking for the return of Magnus O. Anderson, alias Magnus O. Tolofson to Duluth, Minn., where he is wanted on a charge of abandoning minor children, were honored by Governor Whitcomb Wednesday and Anderson left for Minnesota Thursday in charge of John C. Brown, deputy sheriff.

Anderson was first arrested at Cathlamet, Wash., and a requisition was honored by the governor of that state. Anderson, however, secured permission to visit Astoria, in this state, and refused to return to the jurisdiction of the Washington authorities, necessitating the issuance of extradition papers for this state.

Company L, Oregon National Guard, will be mustered in at Dallas, Tuesday night, according to Adjutant General White, who visited the Polk county metropolis Tuesday to complete arrangements for the organization of the unit. Dallas furnished a unit under the designation of Company L for the Oregon guard during the recent war and the legislation has been held open pending completion of the new organization on a peace time basis.

An extension of its line from its present terminus to a connection with the Willamette Valley Southern Railroad at Mount Angel, is contemplated in an application filed with the public service commission, Wednesday, by the Silver

Falls Timber company asking for authority to construct crossings over county highways at four points in Marion county.

Improvements in the shipping facilities at Talbot station on the Oregon Electric line in Marion county will be considered by the public service commission at a hearing in Salem, October 28. On the same date the commission will consider an application for a grade crossing near Claxtar station on the Oregon Electric in this county.

Grade crossings in Baker county will occupy the attention of the commission November 4 and a rehearing into tele-

phone rates on the Bradford Telephone lines is scheduled for Prairie City on November 5.

In an order issued by the public service commission Wednesday the petition of the city of Gervais, Marion county, asking to be relieved of the necessity of erecting warning signs at various railroad crossings within the city limits is denied.

Walla Walla Couple Wed
Dayton, Wash., Oct. 31.—A marriage license was issued Tuesday to Miss Natalie Olson and Ralph L. Clarke of Walla Walla.

First Ballot Is Cast in The Dalles

The Dalles, Oct. 31.—The first vote in the presidential election was cast here Wednesday, when Ned Baldwin, secretary to Congressman Sinnott, marked his ballot and sealed it in the presence of the county clerk. Baldwin voted under the absent voters' act of 1919. He leaves The Dalles Saturday, for Washington, and will be there election day.

The Great "Jupiter Light"

On the Southern Coast

—is, to mariners, like a great mother standing far out on the Florida coast, giving the signal that in front there lies a very shallow sea that is full of shoals and danger.

It serves as a fitting emblem to symbolize a critical situation that confronts a great industry on which a small army of people of this section depend for a livelihood—to show the way to safety and happiness for all concerned—and the "Golden Rule" idea of "Looking Out for the Other Fellow."
