### Explaining the moderate price

Users of Palmolive should know why it can be bought at the price of other soaps.

Simply because Palmolive is so popular that it forces production in enormous quantity. The Palmolive factory works day and night, ingredients are purchased in gigantic volume. The result is a moderate price.

Palmolive is sold by all dealers and supplied in guess room size by America's most popular hotels.

# Use it as a beautifier

SOAP and water has a most important mission in preserving the beauty and fineness of the complexion. It removes the coating of dirt, perspiration and excess oil secretions which, with all traces of rouge and powder, must be washed away every day.
